SUPPLEMENTARY INFORMATION:

I. Abstract

The International Trade Administration's Advocacy Center marshals federal resources to assist U.S. firms competing for foreign government procurements worldwide. The

Advocacy Center is under the umbrella of the Trade Promotion Coordination Committee (TPCC), which is chaired by the Secretary of Commerce and includes 19 federal agencies involved in export promotion. The TPCC is tasked with assessing the U.S. Government (USG) advocacy in order to achieve a maximum increase in exports and to maximize job creation for American workers. The purpose of the questionnaire is to collect the necessary information to make an evaluation as to whether a U.S. firm qualifies for USG advocacy assistance. There are clear, well-established USG Advocacy Guidelines that describe the various situations in which the USG can provide advocacy support for a U.S. firm. The questionnaire was developed to collect only the information necessary to determine if the U.S. firm meets the conditions set forth in the guidelines. The Advocacy Center, appropriate ITA officials, our U.S. Embassies worldwide, and other federal government agencies that provide advocacy support to U.S. firms (Advocacy Network), will request U.S. firm(s) seeking USG advocacy support to complete the questionnaire. Without this information we will be unable to determine if a U.S. firm is eligible for U.S. Government advocacy assistance.

II. Method of Collection

Form ITA-4133P is sent to U.S. firms that request USG advocacy assistance.

Brass Sheet and Strip From Canada: Final Results of Antidumping Duty Administrative Review and Notice of Intent Not To Revoke Order in Part

AGENCY: Import Administration, International Trade Administration, Department of Commerce.

ACTION: Notice of Final Results of Antidumping Duty Administrative Review and Notice of Intent Not to Revoke Order in Part.

SUMMARY: In response to a request by the respondent, the Department of Commerce is conducting an administrative review of the antidumping duty order on brass sheet and strip from Canada. The review covers one manufacturer/exporter of this merchandise to the United States, Wolverine Tube (Canada), Inc. The period covered is January 1, 1996 through December 31, 1996. As a result of the review, the Department preliminarily determined that no dumping margins existed for this respondent. However, upon consideration of petitioner's and respondent's case briefs and rebuttal briefs, we have now determined that a dumping margin does exist. Therefore, we are not revoking the order with respect to brass sheet and strip from Canada manufactured by Wolverine Tube (Canada), Inc.

EFFECTIVE DATE: June 17, 1998.
