*Needs and Uses:* The Census Bureau is requesting clearance for the collection of data concerning the School Enrollment Supplement to be conducted in conjunction with the October 1998 CPS. The Bureau of the Census and the Bureau of Labor Statistics (BLS) sponsor the basic annual school enrollment questions, which have been collected annually in the CPS for 40 years.

This survey provides information on public/private elementary and secondary school enrollment, and characteristics of private school students and their families, which is used for tracking historical trends and for policy planning and support. This survey is the only source of national data on the age distribution and family characteristics of college students, and the only source of demographic data on preprimary school enrollment. As part of the Federal Government's efforts to collect data and provide timely information to local governments for policymaking decisions, the survey provides national trends in employment and progress in school.

The data are used by Federal agencies; state, county, and city governments; and private organizations responsible for education to formulate and implement education policy. They are also used by employers and analysts to anticipate the composition of the labor force in the future.

This year, we are removing inquiries on computer usage and private school tuition which are only asked periodically. No other changes are proposed.

*Affected Public:* Individuals or households.

*Frequency:* Annually.

*Respondent's Obligation:* Voluntary.

*Legal Authority:* Title 13, U.S.C., Section 182; and Title 29, U.S.C., Sections 1-9.

*OMB Desk Officer:* Nancy Kirkendall, (202) 395-7313.

Copies of the above information collection proposal can be obtained by calling or writing Linda Engelmeier, DOC Forms Clearance Officer, (202) 482-3272, Department of Commerce, room 5327, 14th and Constitution Avenue, NW, Washington, DC 20230.

Dated: June 23, 1998.
