[Docket No. CP98-622-000]

**National Fuel Gas Supply Corporation;
Notice of Request Under Blanket
Authorization**

June 24, 1998.

Take notice that on June 16, 1998, National Fuel Gas Supply Corporation (National Fuel), 10 Lafayette Square, Buffalo, New York 14203, filed a request with the Commission in Docket No. CP98-622-000, pursuant to Sections 157.205, and 157.211 of the Commission's Regulations under the Natural Gas Act (NGA) for authorization to construct and operate a new sales tap authorized in blanket certificate issued in Docket No. CP83-4-000, all as more fully set forth in the request on file with the Commission and open to public inspection.

National Fuel proposes to construct and operate a new sales tap for delivery of approximately 60 Mcf per hour of gas with a maximum capacity of approximately 183 Mcf per hour to National Fuel Gas Distribution Corporation. National Fuel states that the proposed sales tap would be located on its Line V-M194 in Jefferson County, Pennsylvania. National Fuel estimates the cost of construction would be \$100,000.

National Fuel further states that this addition is not prohibited by its existing tariff, that there is sufficient capacity to accomplish deliveries without deterrent or disadvantage to other customers, that its peak day and annual deliveries would not be effected and that the total volumes deliveries would not exceed the total volumes authorized prior to their request.

Any person or the Commission's staff may, within 45 days after the Commission has issued this notice, file pursuant to Rule 214 of the Commission's Procedural Rules (18 CFR 385.214) a motion to intervene or notice of intervention and pursuant to Section 157.205 of the Regulations under the NGA (18 CFR 157.205) a protest to the request. If no protest is filed within the allowed time, the proposed activity shall be deemed to be authorized effective the day after the time allowed for filing a protest. If a protest is filed and not withdrawn within 30 days after the time allowed for filing a protest, the instant request shall be treated as an application for

authorization pursuant to Section 7 of the NGA.

**Niagara Mohawk Power Corporation;
Notice Rejecting Request for
Rehearing**

June 24, 1998.

By letter order issued May 6, 1998, the Deputy Executive Director and Chief Financial Officer denied Niagara Mohawk Power Corporation's (Niagara Mohawk) appeal of certain portions of the fiscal year 1997 administrative annual charge bills for the above-captioned projects. On June 8, 1998, Niagara Mohawk filed a request for rehearing of that letter order with the Commission.

Section 313(a) of the Federal Power Act¹ requires an aggrieved party to file a request for rehearing within thirty days after the issuance of the Commission's order, in this case by June 5, 1998. Because the 30-day deadline for requesting rehearing is statutorily based, it cannot be extended and Niagara Mohawk's request for rehearing must be rejected as untimely.

This notice constitutes final agency action. Requests for rehearing by the Commission of this rejection notice may be filed within 30 days of the date of issuance of this notice, pursuant to 18 CFR 385.713.

[Docket No. CP98-616-000]

**Northern Border Pipeline Company;
Notice of Request Under Blanket
Authorization**

June 24, 1998.

Take notice that on June 16, 1998, Northern Border Pipeline Company (Northern Border), 111 South 103rd Street, Omaha, Nebraska 68124-1000, filed a request with the Commission in Docket No. CP98-616-000, pursuant to Sections 157.205, and 157.212 of the Commission's Regulations under the Natural Gas Act (NGA) for authorization to construct a tap on its system in Will County, Illinois authorized in blanket certificate issued in Docket No. CP84-420-000, all as more fully set forth in the request on file with the Commission and open to public inspection.

Northern Border proposes to install a tap to serve as a future point of interconnect with Amoco Chemicals (Amoco). Northern Border states that a tap would consist of a twelve-inch tee and valve. The estimated cost of the proposed facilities would be \$52,000 which Northern Border would install on Amoco's property as partial consideration for an easement across its property. Northern Border reports that it would file to obtain Commission approval to operate the proposed tap, at such time Amoco elects to interconnect with Northern Border.

Any person or the Commission's staff may, within 45 days after the Commission has issued this notice, file pursuant to Rule 214 of the Commission's Procedural Rules (18 CFR 385.214) a motion to intervene or notice of intervention and pursuant to Section 157.205 of the Regulations under the NGA (18 CFR 157.205) a protest to the request. If no protest is filed within the allowed time, the proposed activity shall be deemed to be authorized effective the day after the time allowed for filing a protest. If a protest is filed and not withdrawn within 30 days after the time allowed for filing a protest, the instant request shall be treated as an application for authorization pursuant to Section 7 of the NGA.
