Koch Gateway Pipeline Company; Notice of Compliance Filing

July 2, 1998.

Take notice that on June 29, 1998, Koch Gateway Pipeline Company (Koch) tendered for filing as part of its FERC Gas Tariff, Fifth Revised Volume No. 1, the following tariff sheet, to be effective June 22, 1998.

Substitute Sixth Revised Sheet No. 1810

On May 22, 1998, Koch filed the Sixth Revised Sheet No. 1810 to the Fifth Revised Volume No. 1. The proposed revision reflected changes and clarifications to the calculation of the Average Storage Rate for the purposes of economically scheduling Interruptible Storage Service (ISS). On June 19, 1998, the Commission issued an Order Accepting Tariff Sheets Subject to Conditions rejecting Koch's proposed changes to the Average Storage Rate, while accepting Koch's proposed clarifications to the definition of the average fuel rate. Specifically, the Commission accepted Koch's valuation of fuel in the Average Storage Rate as the fuel reimbursement price posted monthly on Koch's EBB.

In compliance with the Commission's order of June 19, 1998, Koch submits for filing Substitute Sixth Revised Sheet No. 1810 to the Fifth Revised Volume No. 1 reinstating the previous provision for calculating the Average Storage Rate as stated on the Fourth Revised Sheet No. 1810. Also included is a provision defining the valuation of fuel in the Average Storage Rate as the fuel reimbursement price posted monthly on Koch's EBB.

Any person desiring to protest this filing should file a protest with the Federal Energy Regulatory Commission, 888 First Street, N.E., Washington, DC 20426, in accordance with Section 385.211 of the Commission's Rules and Regulations. All such protests must be filed as provided in Section 154.210 of the Commission's Regulations. Protests

will be considered by the Commission in determining the appropriate action to be taken, but will not serve to make protestants parties to the proceedings. Copies of this filing are on file with the Commission and are available for public inspection in the Public Reference Room.
