GTW has filed an environmental report which addresses the abandonment's effects, if any, on the environment and historic resources. The Section of Environmental Analysis (SEA) will issue an environmental assessment (EA) by July 15, 1998.

DEPARTMENT OF THE TREASURY

Departmental Offices, Debt Management Advisory Committee; Meeting

Notice is hereby given, pursuant to 5 U.S.C. App. 10(a)(2), that a meeting will be held at the U.S. Treasury Department, 15th and Pennsylvania Avenue, N.W., Washington, D.C., on August 4, 1998, of the following debt management advisory committee: The Bond Market Association, Treasury Borrowing Advisory Committee.

The agenda for the meeting provides for a technical background briefing by Treasury staff, followed by a charge by the Secretary of the Treasury or his designate that the committee discuss

particular issues, and a working session. Following the working session, the committee will present a written report of its recommendations.

The background briefing by Treasury staff will be held at 9:30 a.m. Eastern time and will be open to the public. The remaining sessions and the committee's reporting session will be closed to the public, pursuant to 5 U.S.C. App. 10(d).

This notice shall constitute my determination, pursuant to the authority placed in heads of departments by 5 U.S.C. App. 10(d) and vested in me by Treasury Department Order No. 101-05, that the closed portions of the meeting are concerned with information that is exempt from disclosure under 5 U.S.C. 552b(c)(9)(A). The public interest requires that such meetings be closed to the public because the Treasury Department requires frank and full advice from representatives of the financial community prior to making its final decision on major financing operations. Historically, this advice has been offered by debt management advisory committees established by the several major segments of the financial community. When so utilized, such a committee is recognized to be an advisory committee under 5 U.S.C. App. 3.

Although the Treasury's final announcement of financing plans may not reflect the recommendations provided in reports of the advisory committee, premature disclosure of the committee's deliberations and reports would be likely to lead to significant financial speculation in the securities market. Thus, these meetings fall within the exemption covered by 5 U.S.C. 552b(c)(9)(A).

The Office of the Assistant Secretary for Financial Markets is responsible for maintaining records of debt management advisory committee meetings and for providing annual reports setting forth a summary of committee activities and such other matters as may be informative to the public consistent with the policy of 5 U.S.C. 552b.

Dated: July 6, 1998.

Gary Gensler,

Assistant Secretary (Financial Markets).
