

Brazil, the Republic of Korea (Korea), Mexico, and Venezuela, and Amendment to Final Determination of Sales at Less Than Fair Value: Certain Circular Welded Non-Alloy Steel Pipe from Korea, 57 FR 49453 (November 2, 1992). These deposit requirements, when imposed, shall remain in effect until publication of the final results of the next administrative review.

This notice serves as a final reminder to importers of their responsibility under 19 CFR § 353.26 of the Department's regulations to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during this review period. Failure to comply with this requirement could result in the Secretary's presumption that reimbursement of antidumping duties occurred and the subsequent assessment of double antidumping duties.

This notice also serves as a reminder to parties subject to administrative protective order (APO) of their responsibility concerning the disposition of proprietary information disclosed under APO in accordance with 19 CFR § 353.34(d)(1) of the Department's regulations. Timely notification of the return/destruction of APO materials or conversion to judicial protective order is hereby requested. Failure to comply with the regulations and the terms of an APO is a sanctionable violation.

These amended final results of administrative review and notice are in accordance with § 751(a)(1) of the Act (19 U.S.C. 1675(a)(1)) and 19 CFR § 353.28.

Dated: July 8, 1998.

Richard W. Moreland,

Acting Assistant Secretary for Import Administration.

Certain Pasta From Italy; Notice of Extension of Time Limit for New Shipper Antidumping Duty Administrative Review

AGENCY: Import Administration, International Trade Administration, Department of Commerce.

EFFECTIVE DATE: July 16, 1998.

FOR FURTHER INFORMATION CONTACT: John Brinkmann or Edward Easton, Office of AD/CVD Enforcement II, Import

Administration, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue N.W., Washington, DC 20230; telephone (202) 482-5288 or 482-1777, respectively.

SUPPLEMENTARY INFORMATION: On March 4, 1998, the Department of Commerce (the Department) initiated a new shipper review relating to the antidumping duty order on certain pasta from Italy, covering the period July 1, 1997, through December 31, 1997 (63 FR 10590). Therefore, the current deadline for the preliminary results of this new shipper review is August 31, 1998. Section 751(a)(2)(B)(iv) of the Tariff Act of 1930, as amended (the Act), requires the Department to make a preliminary determination within 180 days after the date on which the new shipper review was initiated. However, when the Department determines a case is extraordinarily complicated, it may extend the 180-day period to 300 days, 19 CFR 351.214(i)(2), (62 FR 27296, 27396 (1997)).

Pursuant to section 751(a)(2)(B)(iv) of the Act, the Department has determined that this case is extraordinarily complicated given the complex nature of the issues involved in the concurrent administrative review of this proceeding and activities connected with the judicial remand of the Department's final determination in the investigation of Certain Pasta from Italy. See *Borden, Inc. v. US*, Slip Op. 98-36 (March 26, 1998). Thus, in accordance with the statutory and regulatory authority cited above, the Department is extending the deadline for issuing the preliminary results of this new shipper review by 30 days to no later than September 30, 1998. We plan to issue the final results within 90 days after the date the preliminary results are issued.

This extension is in accordance with section 751(a)(2)(B)(iv) of the Act.

Dated: July 9, 1998.

Richard W. Moreland,

Acting Assistant Secretary for Import Administration.
