National Workshop on Toxoplasmosis; Meeting

The National Center for Infectious Diseases (NCID), Division of Parasitic Diseases (DPD) of the Centers for

Disease Control and Prevention (CDC) announces the following meeting.

Name: National Workshop on Toxoplasmosis: Preventing Congenital Toxoplasmosis.

Times and Dates: 8:30 a.m.-6 p.m., September 9, 1998.; 8:30 a.m.-3 p.m., September 10, 1998.

Place: CDC, 1600 Clifton Road, Auditorium A, Atlanta, GA 30333.

Status: Open to the public, limited only by the space available.

Purpose: The purpose of this working meeting is to define the key strategies to reduce the burden of congenital toxoplasmosis in the United States.

Matters to be Discussed: Participants will include representatives from public, private, and foreign organizations. They will (1) define approaches to reduce the prevalence of congenital toxoplasmosis, (2) identify data needs to evaluate and/or implement these strategies, and (3) identify critical next steps.

Agenda items are subject to change as priorities dictate.

Written comments are welcome and should be received by the contact person listed below prior to the opening of the meeting.

Contact Person For More Information: Vance Dietz, Epidemiology Branch, DPD, NCID, CDC, M/S F-22, 1600 Clifton Road, NE, Atlanta, Georgia 30333, telephone 770/488-7771, fax 770/488-7761, e-mail vxd0@cdc.gov.

Dated: July 10, 1998.

Nancy C. Hirsch,

Acting Director, Management Analysis and Services Office, Centers for Disease Control and Prevention (CDC)

Centers for Disease Control and Prevention Statement of Organization, Functions, and Delegations of Authority

Part C (Centers for Disease Control and Prevention) of the Statement of Organization, Functions, and Delegations of Authority of the Department of Health and Human Services (45 FR 67772-76, dated October 14, 1980, and corrected at 45 FR 69296, October 20, 1980, as amended most recently at 63 FR 31785-31786, June 10, 1998) is amended to reflect the establishment of the Office of Global Health within the Office of the Director, Centers for Disease Control and Prevention (CDC), and the abolishment of the International Health Program Office.

Section C-B, Organization and Functions, is hereby amended as follows:

Delete in its entirety the title, mission, and functional statement for the *International Health Program Office (CG)*.

After the title and functional statement for the *Division of Media Relations (CAA33)*, *Office of Communication (CAA)*, insert the following:

Office of Global Health (CAB). Under the direction of the Associate Director for Global Health, the Office of Global Health (OGH) provides leadership, policy guidance, coordination, technical expertise, and services to promote the agency's global health initiatives. In carrying out this mission, OGH: (1) Advises the CDC Director on global health issues relevant to the agency; (2) assesses evolving global health issues and, in cooperation with Ministries of Health and other appropriate institutions, identifies and develops activities to which the application of CDC's technical expertise would be of maximum public health benefit; (3) collaborates with CDC Centers/Institute/Offices (CIO's), other federal agencies, countries, and organizations, as appropriate, to assist CIO's in the development of appropriate policy for global health initiatives for which they have responsibility; (4) coordinates plans for the allocation of global health resources and assists in the development of external funding sources for programs and projects; (5) coordinates cross-cutting CDC global health enterprises; (6) provides leadership in the development and implementation of the CDC Global Health Strategic Plan and guides CDC's efforts to enhance institutional global health capacity; (7) coordinates international collaboration with external partners, including administration, budgets, and technical assistance to assure that agency obligations are met; (8) provides for the enhancement of internal and external global health partnerships; (9) coordinates the recruitment and orientation of CDC assignees to other agencies or countries; (10) stimulates research and program development through the dissemination of information acquired through ongoing global health initiatives; (11) provides global health expertise to CIO international projects, as appropriate and requested by CIO's; (12) coordinates bilateral health agreements between CDC and foreign governments; (13) administers the Exchange Visitors Program; (14) in carrying out the above responsibilities, coordinates activities with CDC/CIO's, the Office of Public Health and Science's Office of International and Refugee Health, the Department of Health and Human
