**45 CFR Parts 2510, 2516, 2517, 2519, 2521, and 2540**

**Administrative Costs for Learn and Serve America and AmeriCorps Grants Programs**

**AGENCY:** Corporation for National and Community Service.

**ACTION:** Interim final rule adopted as final rule.

**SUMMARY:** We are adopting as a final rule, without change, an interim final rule that amended the Corporation's regulations relating to administrative costs in 45 C.F.R. Parts 2510, 2516, 2517, 2519, 2521, and 2540 published at 63 FR 18135, April 14, 1998. The rule amends the Corporation's regulations implementing a statutory limit on the percentage of assistance to specified national service programs that may be used to pay for administrative costs. The rule clarifies the definition of administrative costs, adds an explicit definition of program costs that are not subject to the limitation on administrative costs, and provides additional guidelines for applying the limitation on administrative costs.

**DATES:** The interim final rule was effective April 14, 1998.

**SUPPLEMENTARY INFORMATION:**

On April 14, 1998, the Corporation for National and Community Service (Corporation) published an interim final rule amending its regulations implementing provisions of the National and Community Service Act of 1990, as amended, under which not more than five percent of assistance for a fiscal year may be used to pay for administrative costs. This limitation applies to the following types of programs: (1) School-based service-learning programs; (2) community-based service-learning programs; (3) higher education innovative programs for community service; and (4) national service programs assisted under sections 121(a) and 121(b) of the Act through grants to State Commissions, Indian Tribes, U.S. Territories, and national nonprofit organizations.

The Act itself does not define "administrative costs" but directs the Corporation to prescribe by rule the manner and extent to which assistance provided may be used to pay for administrative costs and the distribution of such costs between grantees and sub-grantees. The final rule clarifies the types of costs that are considered subject to the five percent limitation on administrative costs. The final rule includes an itemization of costs that are directly related to programs and projects, and therefore excluded from the definition of administrative costs. The final rule also provides guidelines for the implementation of the statutory requirements, including the use of indirect cost rates and the use of fixed rates for administrative costs.

Comments on the interim final rule were due June 15, 1998. We did not receive any comments. The facts presented in the interim final rule still provide a basis for the rule.

This action also affirms the information contained in the interim rule concerning Executive Order 12866 and the Regulatory Flexibility Act, the Paperwork Reduction Act, the Unfunded Mandates Reform Act, and Executive Order 12875.
