Each local exchange carrier or group of affiliated carriers subject to the previously stated sections shall file the FCC Form 492A report with the Commission for the calendar year. These carriers are also required to file within 15 months after the end of each calendar year a report reflecting any corrections or modifications. A copy of each report must be retained in the principal office of the respondent and shall be filed in such manner as to be readily available for reference and inspection. The date is used by staff members for enforcement purposes and by the public in analyzing the industry. The reports are also used by the Commission in the tariff review process and provide both the Commission and the carriers with an early warning system if rate adjustments are necessary to correct significant targeting errors.
