Office of the Secretary

Notice of Interest Rate on Overdue Debts

Section 30.13 of the Department of Health and Human Services' claims collection regulation (45 CFR Part 30) provides that the Secretary shall charge an annual rate of interest as fixed by the Secretary of the Treasury after taking into consideration private consumer rates of interest prevailing on the date that HHS becomes entitled to recovery. The rate generally cannot be lower than the Department of Treasury's current value of funds rate or the applicable rate determined from the "Schedule of Certified Interest Rates with Range of Maturities." This rate may be revised quarterly by the Secretary of the Treasury and shall be published quarterly by the Department of Health and Human Services in the **Federal Register**.

The Secretary of the Treasury has certified a rate of 13³/₄% for the quarter ended June 30, 1998. This interest rate will remain in effect until such time as the Secretary of the Treasury notifies HHS of any change.

SUPPLEMENTARY INFORMATION:

Proposed Project

Voluntary Customer Satisfaction Survey Generic Clearance for the Agency for Health Care Policy and Research

In response to Executive Order 12862, the Agency for Health Care Policy and Research (AHCPH) plans to conduct voluntary customer satisfaction surveys to assess strengths and weakness in program services. Customer satisfaction surveys to be conducted by AHCPH may include readership surveys from individuals using AHCPH automated and electronic technology data bases to determine satisfaction with the information provided or surveys to assess effects of the grants streamlining efforts. Results of these surveys will be used in future program planning initiatives and to redirect resources and efforts, as needed, to improve AHCPH program services. A generic approval will be requested from OMB to conduct customer satisfaction surveys over the next three years.

Method of Collection

The data will be collected using a combination of preferred methodologies appropriate to each survey. These methodologies are:

- Evaluation forms;
- Mail surveys;
- Automated and electronic technology (e.g., instant fax, AHCPH Clearinghouse Publications); and
- Telephone surveys

The estimated annual hour burden is as follows:
