Decision List No. 90

Appeals

Godell, Stratton, Edmonds & Palmer, L.L.P., 6/17/98, VFA-0420

DOE denied an appeal of a determination issued by the Southwestern Power Administration. OHA found that the search conducted was reasonably calculated to uncover material responsive to the request.

Lee M. Graham, 6/17/98, VFA-0236

Lee M. Graham appealed a denial by the Albuquerque Operations Office of a request for information that he filed under the Freedom of Information Act. Albuquerque responded by stating that it could neither confirm nor deny the existence of records responsive to Mr. Graham's request. Based on its review of the nature of the request, the DOE determined that Albuquerque's *Glomar* response was appropriate. Accordingly, the Appeal was denied.

Personnel Security Hearing

Personnel Security Hearing, 6/18/98, VSO-0197

A hearing officer determined that an individual had not mitigated security concerns concerning a diagnosis of narcissistic personality disorder, and a conviction for illegally intercepting oral communication. Accordingly, the hearing officer recommended that the individual's access authorization should not be restored.

Refund Applications

Enron Corp./Moon Scott Joint Venture, 6/19/98, RF340-00007

The DOE granted a refund to the Moon Scott Joint Venture (the Joint Venture) for product purchased by NGL Supply, Inc. (NGL Supply) in the Enron Corporation (Enron) special refund proceeding. The DOE found that the Joint Venture possessed the right to refund of NGL Supply. The DOE found that NGL Supply's butane purchases from Enron were spot purchases and not eligible for a refund. DOE also excluded its 1973 natural gasoline purchases because they were made pursuant to a fixed price contract that was established prior to price controls. The DOE then found that NGL Supply had shown that it was injured by its purchases of natural gasoline from Enron from 1975 through 1979 and was entitled to a full volumetric refund. However, it limited the firm's refund for its Enron propane

purchases to volumes of propane that it purchased from Enron at above market prices.

Howard Cab, Inc. Hoquiam Plywood Company, INC., 6/18/98, RJ272-00061, RJ272-00062, RJ272-04818, RJ272-04819

The DOE rescinded two Applications for Supplemental Refund filed by

FARMLAND COOPERATIVE, INC RF272-95739 6/17/98

Federal Action, a private filing service, in the crude oil overcharge refund proceeding. The DOE found that Federal Action violated its Escrow Certification in its handling of the two supplemental refunds. Federal Action was ordered to repay the refund amounts to the DOE and the supplemental refunds were reissued directly to the Applicants.

Refund Applications

The Office of Hearings and Appeals issued the following Decisions and Orders concerning refund applications, which are not summarized. Copies of the full texts of the Decisions and Orders are available in the Public Reference Room of the Office of Hearings and Appeals.

Decision List No. 89

Appeals

Jones, Walker, Waechter, Poitevent Carrère and Denègre, 6/8/98, VFA-0419

Jones, Walker, Waechter, Poitevent Carre & Denègre, L.L.P., appealed a determination issued to it by the Federal Energy Technology Center (FETC) in response to a Request for Information submitted under the Freedom of Information Act. The law firm sought records of a never-issued contract for the Mound Site Plume Treatment System at the Rocky Flat Environmental Technology Site. FETC withheld all responsive documents in full under the competitive harm standard of Exemption 4 because the Rocky Flats Field Office (RFFO) was in the process of finalizing a contract for similar work. During the course of the Appeal, the DOE determined that RFFO had issued the Mound Site Plume Treatment

System contract. Because the factual predicate for the FETC determination no longer existed, the DOE remanded the matter for FETC to issue a new determination.

The National Security Archive, 6/11/98, VFA-0327, VFA-0365

The National Security Archive filed Appeals from denials by the Department of the Air Force of a request for information that it filed under the Freedom of Information Act (FOIA). Because the withheld information was classified under the Atomic Energy Act, the Air Force withheld it as the direction of the DOE under Exemption 3. The DOE determined on appeal that the information must continue to be withheld under Exemption 3. Accordingly, the Appeals were denied.
