**Decision List No. 90**

*Appeals*

*Godell, Stratton, Edmonds & Palmer, L.L.P., 6/17/98, VFA-0420*

DOE denied an appeal of a determination issued by the Southwestern Power Administration. OHA found that the search conducted was reasonably calculated to uncover material responsive to the request.

*Lee M. Graham, 6/17/98, VFA-0236*

Lee M. Graham appealed a denial by the Albuquerque Operations Office of a request for information that he filed under the Freedom of Information Act. Albuquerque responded by stating that it could neither confirm nor deny the existence of records responsive to Mr. Graham's request. Based on its review of the nature of the request, the DOE determined that Albuquerque's *Glomar* response was appropriate. Accordingly, the Appeal was denied.

*Personnel Security Hearing*

*Personnel Security Hearing, 6/18/98, VSO-0197*

A hearing officer determined that an individual had not mitigated security concerns concerning a diagnosis of narcissistic personality disorder, and a conviction for illegally intercepting oral communication. Accordingly, the hearing officer recommended that the individual's access authorization should not be restored.

*Refund Applications*

The DOE found that the Joint Venture possessed the right to refund of NGL Supply. The DOE found that NGL Supply's butane purchases from Enron were spot purchases and not eligible for a refund. DOE also excluded its 1973 natural gasoline purchases because they were made pursuant to a fixed price contract that was established prior to price controls. The DOE then found that NGL Supply had shown that it was injured by its purchases of natural gasoline from Enron from 1975 through 1979 and was entitled to a full volumetric refund. However, it limited the firm's refund for its Enron propane
