#### 14 CFR Part 71

[Airspace Docket No. 98-ACE-6]

#### Amendment to Class D and Class E Airspace; St. Joseph, MO

**AGENCY:** Federal Aviation Administration (FAA), DOT.

**ACTION:** Direct final rule; withdrawal.

**SUMMARY:** This action withdraws the Direct final rule, request for comments mending the Class D and Class E airspace designations at St. Joseph, MO. The Direct final rule, request for comments is being withdrawn due to an error in the original Docket 98-ACE-6 (63 FR 20528), published April 27, 1998 and a delay in publication of the correction. Therefore, a determination has been made to withdraw the Direct final rule, request for comments and resubmit it at a later date.

**EFFECTIVE DATE:** This withdrawal is effective July 29, 1998.

**FOR FURTHER INFORMATION CONTACT:** Kathy Randolph, Air Traffic Division, Airspace Branch, ACE-520C, Federal Aviation Administration, 601 East 12th Street, Kansas City, MO 64106; telephone: (816) 426-3408.

#### SUPPLEMENTARY INFORMATION:

##### The Direct Final Rule

On April 27, 1998, a Direct final rule, request for comments was published in the **Federal Register** to amend the Class D and Class E airspace designations at St. Joseph, MO. The Class E airspace,

700 feet and above was enlarged to comply with the criteria specified in FAA Order 7400.2D. The Class D and Class E surface area designations were revised to reflect a change to the Airport Reference Point. The FAA has encountered a delay in publication of an extension of comment period and a correction to Docket 98-ACE-6; therefore, it is necessary to withdraw the Direct final rule, request for comments.

#### Conclusion

In consideration of the aforementioned publication delay, action is being taken to withdraw the Direct final rule, request for comments until an appropriate comment period is provided.

### Bureau of Export Administration

#### 15 CFR Part 744

[Docket No. 970428099-8185-06]

RIN 0694-AB60

#### Additions to Entity List: Russian Entities

**AGENCY:** Bureau of Export Administration, Commerce.

**ACTION:** Final rule.

**SUMMARY:** The Export Administration Regulations (EAR) provide that the Bureau of Export Administration (BXA) may inform exporters, individually or through amendment to the EAR, that a license is required for exports or reexports to certain entities. The EAR contains a list of such entities. This rule adds to the entity list certain Russian entities under investigation by the

Russian government for suspected export control violations involving weapons of mass destruction and missile technology. Exports or reexports of all items subject to the EAR to these newly added entities now require a license, and applications will be reviewed with a presumption of denial.

**EFFECTIVE DATE:** This rule is effective July 29, 1998.

**FOR FURTHER INFORMATION CONTACT:** Eileen M. Albanese, Office of Exporter Services, Bureau of Export Administration, Telephone: (202) 482-0436.

#### SUPPLEMENTARY INFORMATION:

##### Background

General Prohibition Five (§ 736.2(b)(5) of the EAR) prohibits exports and reexports to certain end-users or end-uses (described in part 744 of the EAR) without a license. In the form of Supplement No. 4 to part 744, BXA maintains an "Entity List" to provide notice informing the public of certain entities subject to such licensing requirements. This rule adds certain entities in Russia to this list. This rule further adds a new § 744.10 describing license requirements and review standards for exports and reexports to such entities.

Although the Export Administration Act (EAA) expired on August 20, 1994, the President invoked the International Emergency Economic Powers Act and continued in effect, to the extent permitted by law, the provisions of the EAA and the EAR in Executive Order 12924 of August 19, 1994, continued by Presidential notices of August 15, 1995, August 14, 1996, and August 15, 1997.

This collection has been approved by the Office of Management and Budget under control number 0694-0088.

3. This rule does not contain policies with Federalism implications sufficient to warrant preparation of a Federalism assessment under Executive Order 12612.
