

*Proposed Amendments to Various Rules To Correctly Identify Committee Name*

The committee of NASD Regulation that addresses arbitration matters is the National Arbitration and Mediation Committee. NASD Regulation proposes to amend each rule in which the outdated term "National Arbitration Committee" is used by replacing the outdated term with the current committee name, the "National Arbitration and Mediation Committee."<sup>55</sup>

**Request for Comments on Specific Topic**

NASD Regulation proposes to allow parties to have the right to strike an unlimited number of arbitrators from lists under proposed Rule 10308(c)(1)(A). NASD Regulation specifically requests comment on whether parties should have an unlimited number of strikes, or whether the right to strike should be limited. If a claimant, for example, strikes every arbitrator listed, all the listed arbitrators are ineligible, the respondent's preferences are nullified, and the Director appoints arbitrators who are not listed. Thus, the unlimited right to strike any be too broad to accomplish the purposes intended by the rule proposal.

NASD Regulation is requesting that the proposed rule change be effective within 45 days of SEC approval.

**2. Statutory Basis**

NASD Regulation believes that the proposed rule change is consistent with the provisions of Section 15A(b)(6) of the Act,<sup>56</sup> which requires, among other things, that the Association's rules must be designed to prevent fraudulent and manipulative acts and practices, to promote just and equitable principles of trade, and, in general, to protect investors and the public interest.

*B. Self-Regulatory Organization's Statement on Burden on Competition*

The NASD does not believe that the proposed rule change will impose any inappropriate burden on competition.

*C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received From Members, Participants, or Others*

No written comments were either solicited or received.

<sup>55</sup> See e.g., Rule 10102, Rule 10103, Rule 10104 referenced specifically above, Rule 10301, and Rule 10401.

**III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action**

Within 35 days of the publication of this notice in the **Federal Register** or within such longer period (i) as the Commission may designate up to 90 days of such date if it finds such longer period to be appropriate and publishes its reasons for so finding or (ii) as to which the self-regulatory organization consents, the Commission will:

- (A) by order approve the proposed rule change, or
- (B) institute proceedings to determine whether the proposed rule change should be disapproved.

**IV. Solicitation of Comments**

Interested persons are invited to submit written data, views, and arguments concerning the foregoing, including whether the proposed rule change is consistent with the Act. Persons making written submissions should file six copies thereof with the Secretary, Securities and Exchange Commission, 450 Fifth Street, NW., Washington, DC 20549. Copies of the submission, all subsequent amendments, all written statements with respect to the proposed rule change that are filed with the Commission, and all written communications relating to the proposed rule change between the Commission and any person, other than those that may be withheld from the public in accordance with the provisions of 5 U.S.C. 552, will be available for inspection and copying at the Commission's Public Reference Room. Copies of such filing will also be available for inspection and copying at the principal office of the NASD. All submissions should refer to File No. SR-NASD-98-48 and should be submitted by August 20, 1998.

For the Commission, by the Division of Market Regulation, pursuant to delegated authority.<sup>57</sup>
