For questions on this docket, contact Carol Kelly, Coast Guard Dockets Team Leader, or Paulette Twine, Chief, Documentary Services Division, U.S. Department of Transportation, 202-366-9329.

**SUPPLEMENTARY INFORMATION:** The Towing Safety Advisory Committee (TSAC) is a Federal advisory committee constituted under 5 U.S.C. App. 2. It provides advice and makes recommendations to the Secretary of Transportation on matters relating to shallow-draft inland and coastal waterway navigation and towing safety. The advice and recommendations also assist the Coast Guard in formulating the position of the United States in

advance of meetings of the International Maritime Organization.

TSAC meets at least once a year at Coast Guard Headquarters, Washington, DC, or another location selected by the Coast Guard. It may also meet for extraordinary purposes. Its subcommittees and working groups may meet to consider specific problems as required.

The Coast Guard will consider applications for five positions that expire or become vacant in October 1998, as follows: Two members from the barge and towing industry, reflecting a geographical balance; one member from the offshore mineral and oil supply vessel industry; one member from shippers; and one member from the general public. To be eligible, applicants should have experience in towing operations, marine transportation, occupational safety and health, environmental protection, or business operations associated with the towing industry. Each member serves for a term of 3 years. A few members may serve consecutive terms. All members serve at their own expense and receive no salary, reimbursement of travel expenses, or other compensation from the Federal Government.

In support of the policy of the Department of Transportation on gender and ethnic diversity, the Coast Guard encourages applications from qualified women and members of minority groups.

Applicants selected may be required to complete a Confidential Financial Disclosure Report (OGE Form 450). Neither the report nor the information it contains may be released to the public, except under an order issued by a Federal court or as otherwise provided under the Privacy Act (5 U.S.C. 552a).

Dated: July 22, 1998.
