[Docket No. CP98-695-000]

Tennessee Gas Pipeline Company; Notice of Request Under Blanket Authorization

Issued July 31, 1998.

Take notice that on July 27, 1998, Tennessee Gas Pipeline Company (Tennessee), Post Office Box 2511, Houston, Texas 77252-2511, filed a request with the Commission in Docket No. CP98-695-000, pursuant to 157.205 and 157.212 of the Commission's Regulations under the Natural Gas Act (NGA) for authorization to operate as jurisdictional certain existing delivery point facilities that were initially constructed under Section 311(a) of the Natural Gas Policy Act of 1978 (NGPA) authorized in blanket certificate issued in Docket No. CP82-413-000, all as more fully set forth in the request on file with the Commission and open to public inspection.

Tennessee proposes to operate certain existing delivery point facilities under Section 7(c) of the NGA and Tennessee's Part 157, Subpart F blanket certificate. Tennessee reports that the delivery point facilities are located in Franklin County, Alabama, Barren County, Kentucky, Scholharie County, New York, and Allen County, Kentucky, and that the delivery point facilities were constructed to implement transportation agreements under Section 311 of the NGPA. Tennessee states that granting the request would enable Tennessee to fully utilize these facilities for all transportation services, pursuant to Section 311 for the NGPA and Section 7 of the NGA and would increase the transportation options of customers on Tennessee's system.

Tennessee further states that delivery volumes through the existing delivery points would not impact Tennessee's peak day and annual deliveries. Tennessee reports that the proposed activity is not prohibited by its existing tariff and that Tennessee has sufficient capacity to accommodate the changes proposed without detriment or disadvantage to Tennessee's other customers.

Any person or the Commission's staff may, within 45 days after the Commission has issued this notice, file pursuant to Rule 214 of the Commission's Procedural Rules (18 CFR 385.214) a motion to intervene or notice of intervention and pursuant to Section 157.205 of the Regulations under the NGA (18 CFR 157.205) a protest to the
