

FOR FURTHER INFORMATION CONTACT: To request a copy of the information collection request, explanatory information and related form, contact Rebecca A. Mullin at (703) 358-2287, or electronically to rmullin@fws.gov.

SUPPLEMENTARY INFORMATION: The collection of information described will be submitted to OMB for approval under the provisions of the Paperwork Reduction Act of 1995 (Pub. L. 104-13). We will not conduct or sponsor any information collection until approved by OMB and a final regulation is published, and a person is not required to respond to a collection of information unless it displays a current valid OMB control number. The proposed information collection will be used to administer a program to reduce Mid-continent light goose populations. Specifically, the information will facilitate our assessment of impacts alternative regulatory strategies may have on Mid-continent light goose and other migratory bird populations.

We have calculated burden estimates, where appropriate, to reflect current reporting levels or adjustments. We will request a 3-year term of approval for this information collection activity.

Comments are invited from you on: (1) whether the collection of information is necessary for the proper performance of the function of the agency, including whether the information will have practical utility; (2) the accuracy of the agency's estimate of burden, including the validity of the methodology and assumptions used; (3) ways to enhance the quality, utility, and clarity of the information to be collected; and (4) ways to minimize the burden of the collection of information on those who are to respond, including through the use of appropriate, automated, electronic, mechanical, or other technological collection techniques or other forms of information collection technology. Comments and suggestions on the requirement should be sent directly to the Information Collection Clearance Officer, U.S. Fish and Wildlife Service, ms 224-ARLSQ, 1849 C Street NW., Washington, DC 20204 or electronically to mullinR@fws.gov.

This notice provides the public with 60 days in which to comment on the following information collection activity:

Title: Regulatory Strategy for control of Mid-continent light geese.

Summary: The information collected will be required to authorize State wildlife management agencies responsible for migratory bird management to take Mid-continent light
