

DEPARTMENT OF COMMERCE**Submission for OMB Review;
Comment Request**

DOC has submitted to the Office of Management and Budget (OMB) for clearance the following proposal for collection of information under the provisions of the Paperwork Reduction Act (44 U.S.C. chapter 35).

Agency: Bureau of the Census.

Title: American Community Survey Group Quarters Screening Test.

Form Number(s): ACS-2(GQ).

Agency Approval Number: 0607-0836.

Type of Request: Revision of a currently approved collection.

Burden: 300 hours.

Number of Respondents: 900.

Avg. Hours Per Response: 20 minutes.

Needs and Uses: In 1999 the American Community Survey (ACS) will be conducted in 53 counties. Data from the ACS will determine the feasibility of a continuous measurement system that provides socioeconomic data on a continual basis throughout the decade. The Census Bureau must provide a sample of persons residing in Group Quarters (GQs) the opportunity to be interviewed for the ACS. GQs include places such as student dorms, correctional facilities, hospitals, nursing homes, shelters, and military quarters. Obtaining characteristic information from the GQs will ensure that we include the necessary people residing at GQs in the 1999 ACS.

A GQ screening operation is being conducted in conjunction with 1998 ACS activities. This request revises the existing GQ clearance for use in the 1999 ACS. Major changes are in the estimated number of respondents and in the estimated time per response. In 1998 we are screening a sample of the GQs in eight counties. In 1999 we will screen a sample of the GQs in 53 counties. After completing one-third of the 1998 screening, we have learned that screening averages about 20 minutes per response instead of 10 minutes as originally estimated. In 1999 we will use the same questionnaire for screening that we are using in 1998, Form ACS-2(GQ), ACS GQ Screening.

This screening operation will serve to update information we already have on-hand about the GQ and its residency, tell us if the GQ is within scope for ACS enumeration, and, most importantly, allow us to determine if a mail enumeration of the residents is possible. If a mail enumeration is not possible, face-to-face interviews with GQ residents will be necessary.

Affected Public: Businesses or other for-profit organizations, not-for-profit institutions, farms.

Frequency: One time.

Respondent's Obligation: Mandatory.

Legal Authority: Title 13 U.S.C., Section 182.

OMB Desk Officer: Nancy Kirkendall, (202) 395-7313.

Copies of the above information collection proposal can be obtained by calling or writing Linda Engelmeier, DOC Forms Clearance Officer, (202) 482-3272, Department of Commerce, room 5327, 14th and Constitution Avenue, NW, Washington, DC 20230.

Written comments and recommendations for the proposed information collection should be sent within 30 days of publication of this notice to Nancy Kirkendall, OMB Desk Officer, room 10201, New Executive Office Building, Washington, DC 20503.

Dated: August 14, 1998.
