

Second Revised Sheet Nos. 37A, 78A, and 78B to First Revised Volume No. 1-A of its FERC Gas Tariff (Overthrust's tariff).

Overthrust states that the Commission stated in the July 29 order that Overthrust (1) failed to add GISB Standard 2.4.6 to its list of incorporated standards and (2) did not delete Standard 4.3.4 from this list. Overthrust states that as required by, and in compliance with, the July 29 order, Substitute Second Revised Sheet No. 78A has been revised by adding Standard 2.4.6—Version 1.2 to Section 29.4 while Standard 4.3.4—Version 1.0 has been deleted from Substitute Second Revised Sheet No. 78B.

Overthrust further explains that Section 4.5(a) on Substitute Second Revised Sheet No. 37A has been revised, as directed by the Commission, by adding the phrase "to the public" after the word "accessible." This sentence, it is stated, now reads: Documents will be accessible to the public over the public Internet using commercially available web browsers, without imposition of a password or other access requirement.

Overthrust states that a copy of this filing has been served upon its customers, the Public Service Commission of Utah and the Public Service Commission of Wyoming.

Any person desiring to be heard or to protest said filing should file a motion to intervene or protest with the Federal Energy Regulatory Commission, 888 First Street, NE, Washington, D.C. 20426, in accordance with Rules 385.211 and 385.214 of the Commission's Rules of Practice and Procedure. All such motions or protests must be filed as provided in Section 154.210 of the Commission's Regulations. Protests will be considered by the Commission in determining the appropriate action to be taken, but will not serve to make protestants parties to the proceeding. Persons that are already parties to this proceeding need not file a motion to intervene in this matter. Any person wishing to become a party must file a motion to intervene. Copies of this filing are on file with the Commission and are available for public inspection.
