

to make unsubstantiated and false earnings claims.

The proposed administrative consent order, published for comment with this notice, contains prohibitions designed to prevent respondent from engaging in similar acts and practices in the future. Section I of the proposed consent prohibits Mr. Schmidt from participating in or assisting in any manner or capacity whatsoever in any prohibited marketing program, as defined in the order. The definition of "prohibited marketing program" is similar to the definition in the settlement of *FTC v. Nia Cano, et al.*, Civil No. 97-7947-CAS (AJWx), and includes any pyramid sales scheme, ponzi scheme, and chain marketing scheme. Sections IIA of the proposed order requires the respondent to have substantiation when in connection with any marketing plan or program or sale of good or service, he makes representations regarding material facts, including the income, profits, or sales volume achieved by participants in any marketing program or purchasers of any good or service. Section IIB requires the respondent to make certain affirmative disclosures when, in connection with any marketing plan or program, he makes any representations regarding earnings, profits, or sales volume.

Sections III, IV, V, and VI require the respondent to maintain copies of certain business records; to provide copies of the order to all of his current and future employees; to notify the Commission of any change in employment or corporate structure that might affect compliance with the order; and to file compliance reports with the Commission. Section VII is a "sunset" provision that terminates the order twenty years after it is issued or after a complaint is filed in federal district court.

The purpose of this analysis is to facilitate public comment on the proposed order. It is not intended to constitute an official interpretation of the agreement and proposed order or to modify in any way their terms.

By direction of the Commission.

Donald S. Clark,

Secretary.
