**Development of Competition and Diversity in Video Programming Distribution and Carriage**

**AGENCY:** Federal Communications Commission.

**ACTION:** Final rule.

**SUMMARY:** Section 628 of the Communications Act prohibits unfair or discriminatory practices in the sale of satellite cable and satellite broadcast programming. Section 628 is intended to increase competition and diversity in the multichannel video programming market, as well as to foster the development of competition to traditional cable systems, by prescribing regulations that govern the access by competing multichannel systems to cable programming services.

**DATES:** This rule contains information collection requirements that have not been approved by the Office of Management and Budget ("OMB"). The Commission will publish a document in the **Federal Register** announcing the effective date of this rule. Written comments by the public on the modified information collection requirements contained should be submitted on or before October 26, 1998. If you anticipate that you will be submitting comments on the modified information collection requirements, but find it difficult to do so within the period of time allowed by this notice, you should advise the contact listed below as soon as possible.
