EFFECTIVE DATE: In the absence of any further action by the District Manager, the proposed special rules described below will become the final determination of the Department of the Interior, on or before September 1, 1998.

Special Rules: The area legally described above is closed to the discharge of firearms yearlong.

The following alcohol and drug restrictions apply yearlong to the area legally described above: No person under the age of 21 years shall attempt to purchase or acquire alcoholic liquor. Except when such minor is in a private residence accompanied by the parent or guardian of the minor and with such parent's or guardian's consent, no person under the age of 21 years shall have personal possession of alcoholic liquor. For the purposes of this regulation, personal possession of alcoholic liquor includes the acceptance or consumption of a container of such liquor, or any portion thereof or a drink of such liquor. However, this section does not prohibit the acceptance or consumption by any person of sacramental wine as part of a religious rite or service. In addition, operating or being in actual physical control of a motor vehicle is prohibited while: 1. Under the influence of alcohol, or a drug, or drugs, or any combination thereof, to a degree that renders the operator incapable of safe operation; or 2.
