**DEPARTMENT OF DEFENSE****Office of the Secretary****Preparation of a Final Programmatic  
Environmental Assessment for the Air  
Drop Target System Program****AGENCY:** Ballistic Missile Defense  
Organization (BMDO).**ACTION:** Notice of Availability (NOA).**SUMMARY:** This notifies the public that BMDO is issuing a Final Programmatic Environmental Assessment (PEA) for the Air Drop Target System Program. The PEA assesses the potential impacts associated with technology and deployment activities of the program. The proposed action is to provide the capability to produce, deploy, and maintain the Air Drop Target System. The Air Drop Target System program would provide a realistic target for current and evolving interceptor programs. The Air Drop Target System program would provide a highly flexible, short-range target system allowing multi-shot engagements with high azimuth variability. The Air Drop Target System would provide an air launch target delivery system using standard C-130 cargo aircraft, rather a fixed land-based site.*Lead Agency:* Ballistic Missile  
Defense Organization.*Proposed Action:* The BMDO  
proposes to provide the capability to  
produce, deploy, and maintain the Air  
Drop Target System. The Air Drop  
Target System program would provide a  
realistic target for current and evolving  
interceptor programs.*Findings:* It has been determined, after  
consideration of all factors presented in  
the PEA and pertinent environmental  
legislation, that, provided the mitigation  
measures discussed in the PEA are  
implemented and future site-specificanalysis be performed, the action would  
not be anticipated to significantly affect  
the quality of the human environment,  
and there would be no significant  
environmental effects associated with  
this action. For the foregoing reasons, a  
Finding of No Significant Impact (FNSI)  
is appropriate, and an environmental  
impact statement will not be prepared.**ADDRESSES:** Forward comments and  
recommendations on the FNSI and PEA  
to Mr. Crate J. Spears, Room 1E1081,  
Ballistic Missile Defense Organization,  
7100 Defense Pentagon, Washington, DC  
20301-7100.**FOR FURTHER INFORMATION CONTACT:** To  
request more information on the FNSI  
and PEA or to obtain a copy of the FNSI  
or PEA, please write to the above  
address, or call Mr. Crate J. Spears at  
703-604-3893.

Dated: August 24, 1998.

**Patricia L. Toppings,***Alternate OSD Federal Register Liaison  
Officer, Department of Defense.*
