ENVIRONMENTAL PROTECTION AGENCY

[FRL-6154-2]

National Advisory Council for Environmental Policy and Technology; Environmental Capital Markets Committee; Public Meeting

AGENCY: Environmental Protection Agency (EPA).

ACTION: Notice of public meeting.

SUMMARY: Under the Federal Advisory Committee Act, Pub. L. 92463, EPA gives notice of a meeting of the Environmental Capital Markets Committee of the National Advisory Council for Environmental Policy and Technology (NACEPT), which provides advice and recommendations to the

Administrator of EPA on a broad range of environmental policy issues.

The Environmental Capital Markets Committee has been evaluating practical ways for the financial services industry to include the environmental performance of its clients as an integral part of its core credit, investment, and underwriting processes. Some of the major issues the Committee has been addressing are:

- The extent to which—and why—the financial services industry currently takes environmental factors into account in its credit, investment, and underwriting processes.
- The characteristics of current (and projected) environmental management systems (EMS) and practices that could help correlate environmental performance and financial performance.
- How information flowing from these EMSs/practices might be quantified in a manner that could be integrated into the financial service industry's credit, investment, and underwriting processes.

The ultimate goal of the Committee is to identify concrete actions that EPA, on its own or in cooperation with other Federal or state agencies, could take to help the financial services industry incorporate this environmental information into its core decision-making processes.

DATES: The Environmental Capital Markets Committee will hold a one day public meeting at the Crystal City Marriott Courtyard, 2899 Jefferson Davis Highway, Arlington, Virginia on Friday, September 25, 1998 from 9 a.m. to 6 p.m.

ADDRESSES: Materials or written comments may be transmitted to the Committee through Mark Joyce, Designated Federal Officer, U.S. EPA, Office of Cooperative Environmental Management (1601F), 401 M Street SW, Washington, DC 20460.

FOR FURTHER INFORMATION CONTACT: Mark Joyce, Designated Federal Officer, Environmental Capital Markets Committee, at 202-260-6889.

Dated: August 20, 1998.
