Initiatives—0930–0178 (Extension, no change)—The Center for Substance Abuse Prevention (CSAP) is conducting a cross-site evaluation of 47 demonstration projects targeting high-risk youth to assess the effectiveness of the demonstration program in: (1) preventing and/or reducing substance abuse among at-risk youth; and (2) intervention strategies for reducing selected risk factors and enhancing protective factors. Youth participating in the programs and comparison group youth complete self-administered questionnaires at four points in time: baseline; at program exit; 6 months after program exit; and 18 months after program exit. The annual burden estimate is shown below:

FOR FURTHER INFORMATION CONTACT: Detailed information concerning this action is available for review at the Bureau of Land Management's Dillon Field Office, 1005 Selway Drive, Dillon, Montana 59725–9431.

SUPPLEMENTARY INFORMATION: Upon publication of this notice in the Federal Register, the lands will be segregated from all other forms of appropriation under the public land laws, including the general mining laws and the mineral leasing laws, except for conveyance under the Recreation and Public Purposes Act. For a period of 45 days from the date of publication of this notice in the Federal Register, interested persons may submit comments regarding the classification of the lands or the proposed conveyance to the Field Manager at the address listed above.

Classification Comments

Interested parties may submit comments involving the suitability of the land for historic monument purposes. Comments on the classification are restricted to whether the land is physically suited for the proposal, whether the use will maximize the future use or uses of the land, whether the use is consistent with local planning and zoning, or if the use is consistent with State and Federal programs.

Application Comments

Interested parties may submit comments regarding the specific use proposed in the application and plan of development, whether the BLM followed proper administrative procedures in reaching the decision, or any other factor not directly related to
