Uniform Criteria for State Observational Surveys of Seat Belt Use

AGENCY: National Highway Traffic Safety Administration (NHTSA), DOT.

ACTION: Interim final rule; request for comments.

SUMMARY: This document establishes uniform criteria for State seat belt use surveys that are to be conducted in connection with a new Federal grant program. Section 157 of Title 23, United States Code, directs the Secretary of Transportation to allocate funds to States that achieve a seat belt use rate that exceeds, for the past two years, the national average use rate, or that exceeds the highest seat belt use rate achieved by the State in certain designated previous years. For calendar years 1998 through 2001, the new law requires the seat belt use rate submitted by the States to be consistent with measurement criteria established by the Secretary. This document sets forth the criteria to be used by the States to determine their seat belt use rates under this program, starting with surveys conducted in calendar year 1998. These uniform criteria replace the Guidelines for State Observational Surveys of Safety Belt and Motorcycle Helmet Use, which are rescinded by this document.

DATES: This interim final rule is effective on September 1, 1998. Comments concerning this rule are due no later than January 29, 1999.

ADDRESSES: Comments should refer to the docket number set forth above and be submitted in writing to the Administrator, National Highway Traffic Safety Administration, Room 5220, 400 Seventh Street, SW, Washington, DC 20590.

FOR FURTHER INFORMATION CONTACT: The following persons at the National Highway Traffic Safety Administration, 400 Seventh Street, SW, Washington, DC 20590: For program issues, Joan Catherine Tetrault, State and Community Services, NSC-01, (202) 366-2674; For legal issues, John Donaldson, Office of the Chief Counsel, NCC-30, (202) 366-1834.

SUPPLEMENTARY INFORMATION:**New Seat Belt Incentive Grant Program**

Section 1403 of the recently enacted Transportation Equity Act for the 21st Century (Pub. L. 105-178) added a new Section 157 to Title 23 of the United States Code (replacing a predecessor Section 157). The new section authorizes a State seat belt incentive grant program covering fiscal years 1999 through 2003. Under this program, the Secretary of Transportation is directed to allocate funds to the States (beginning in fiscal year 1999) based on their seat belt use rates. Today's rule promulgates the Uniform Criteria for State Observational Surveys of Seat Belt Use (hereafter, Uniform Criteria) to provide guidance to the States on the seat belt use rate information to be submitted
