

priority wildlife such as threatened or endangered species.

**Vegetation:** The need to protect wildlife habitat and the natural landscape and the concern for weed control.

**Water Quality:** Concern with the effect of water quality on fisheries and the safety of eating fish from the reservoir.

**Recreation:** Primary concerns related to over capacity use on holidays, lack of desired facilities and features, seasonal use restrictions, access, off-road vehicle use, and conflicts between recreational uses and natural resources.

**Management and Infrastructure:** Public and management agencies are concerned with the lack of resources to provide services and enforcement.

Four alternatives are currently being considered. These include an alternative which balances use with resource protection and enhancement, an alternative that stresses enhancement of natural resources (Alternative A), an alternative that stresses enhancement of recreation potential (Alternative B), and the No Action Alternative as required by NEPA. Comments received as a result of this notice may result in changes to current alternatives or development of additional alternatives to be evaluated in the draft EIS.

Dated: August 13, 1998.

## DEPARTMENT OF THE INTERIOR

### Office of Surface Mining Reclamation and Enforcement

#### Notice of Proposed Information Collection

**AGENCY:** Office of Surface Mining Reclamation and Enforcement.

**ACTION:** Notice and request for comments.

**SUMMARY:** In compliance with the Paperwork Reduction Act of 1995, the Office of Surface Mining Reclamation and Enforcement (OSM) is announcing that the information collection request for the Technical Evaluation Series described below has been forwarded to the Office of Management and Budget (OMB) for review and comment. The information collection request describes the nature of the information collection and the expected burden and cost.

**DATES:** OMB has up to 60 days to approve or disapprove the information

collection but may respond after 30 days. Therefore, public comments should be submitted to OMB by October 1, 1998, in order to be assured of consideration.

**FOR FURTHER INFORMATION CONTACT:** To request a copy of the information collection request, explanatory information and related form, contact John A. Trelease at (202) 208-2783, or electronically to [jtreleas@osmre.gov](mailto:jtreleas@osmre.gov).

**SUPPLEMENTARY INFORMATION:** The Office of Management and Budget (OMB) regulations at 5 CFR 1320, which implement provisions of the Paperwork Reduction Act of 1995 (Pub. L. 104-13), require that interested members of the public and affected agencies have an opportunity to comment on information collection and recordkeeping activities (see 5 CFR 1320.8(d)). OSM has submitted a request to OMB to approve the collection of information for a Technical Evaluation Series. OSM is requesting a 3-year term of approval of this information collection activity.

An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid OMB control number. The OMB control number for this collection of information will be placed on the forms once approved and the control number assigned.

As required under 5 CFR 1320.8(d), a **Federal Register** notice soliciting comments on these collections of information was published on June 16, 1998 (63 FR 32895). No comments were received. This notice provides the public with an additional 30 days in which to comment on the following information collection activity:

**Title:** Technical Evaluations Series.  
**OMB Control Number:** 1029-NEW.

**Summary:** The series of surveys are needed to ensure that technical assistance activities, technology transfer activities and technical forums are useful for those who participate or receive the assistance. Specifically, representatives from State and Tribal regulatory and reclamation authorities, representatives of industry, environmental or citizen groups, or the public, are the recipients of the assistance or participants in these forums. These surveys will be the primary means through which OSM evaluates its performance in meeting the performance goals outlined in its annual plans developed pursuant to the Government Performance and Results Act.

**Bureau Form Number:** None.

**Frequency of Collection:** Once.

**Description of Respondents:** 26 State and Tribal governments, industry

organizations and individuals who request information or assistance.

**Total Annual Responses:** 1,600.

**Total Annual Burden Hours:** 267.

Send comments on the need for the collections of information for the performance of the functions of the agency; the accuracy of the agency's burden estimates; ways to enhance the quality, utility and clarity of the information collections; and ways to minimize the information collection burdens on respondents, such as use of automated means of collections of the information, to the following addresses. Please include the appropriate OMB control number in all correspondence.

**Addresses:** Office of Information and Regulatory Affairs, Office of Management and Budget, Attention: Department of Interior Desk Officer, 725 17th Street, NW, Washington, DC 20503. Also, please send a copy of your comments to John A. Trelease, Office of Surface Mining Reclamation and Enforcement, 1951 Constitution Ave, NW, Room 210-SIB, Washington, DC 20240, or electronically to [jtreleas@osmre.gov](mailto:jtreleas@osmre.gov).

Dated: August 26, 1998.

## INTERNATIONAL TRADE COMMISSION

[Investigation No. AA1921-172 (Review)]

### Animal Glue From Germany

**AGENCY:** United States International Trade Commission.

**ACTION:** Institution of a five-year review concerning the antidumping duty order on animal glue from Germany.

**SUMMARY:** The Commission hereby gives notice that it has instituted a review pursuant to section 751(c) of the Tariff Act of 1930 (19 U.S.C. § 1675(c)) (the Act) to determine whether revocation of the antidumping duty order on animal glue from Germany would be likely to lead to continuation or recurrence of material injury. Pursuant to section 751(c)(2) of the Act, interested parties are requested to respond to this notice by submitting the information specified below to the Commission; the deadline for responses is October 21, 1998. Comments on the adequacy of responses may be filed with the Commission by November 13, 1998.

For further information concerning the conduct of this review and rules of general application, consult the
