Maritimes & Northeast Pipeline, L.L.C.; Notice of Initial FERC Gas Tariff

September 4, 1998.

Take notice that on September 1, 1998, Maritimes & Northeast Pipeline, L.L.C. (Maritimes) filed to place into effect its FERC Gas Tariff, Original Volume No. 1, Cover Sheet and Original Sheet Nos. 1 through 500. Also take notice that on September 2, 1998, Maritimes filed a Motion for Extension of Time and Limited Waiver of Order Nos. 587.

Maritimes says that it proposes to place its complete FERC Gas Tariff, Original Volume No. 1 into effect on November 1, 1998, which is the certificated in-service date for the Maritimes Phase I facilities. The tariff will allow Maritimes to provide firm or interruptible services to those customers desiring such service as contemplated by the certificates of public convenience and necessity issued to Maritimes.[1]

Maritimes says that complete copies of this filing are being mailed to potential customers and interested state commissions. However, due to the voluminous nature of actual tariff sheets, Maritimes says that copies of this filing without the actual tariff sheets are being mailed to all other parties on the Commission's Official Service Lists in the above referenced dockets. Maritimes says that copies of actual tariff sheets will be made available upon request and complete copies of this filing are on file with the Commission and are available for public inspection in the Public Reference Room.

Any person desiring to protest this filing should file with the Federal Energy Regulatory Commission, 888 First Street, NE., Washington, DC 20426, in accordance with Section 385.211 of the Commission's Rules and Regulations. All such protests must be filed by September 14, 1998, as provided in Section 154.210 of the Commission's Regulations. Protests will be considered by the Commission in determining the appropriate action to be taken, but will not serve to make protestants parties to the proceeding.
