

approved list of needs. Proposals received will be forwarded by the IAFWA to the appropriate technical committees (again, all committee members having voting privileges) for review of eligibility and the selection of projects to be returned to the GIAC for ranking.

d. State members of the GIAC will rank all proposals, select those recommended for funding, and forward their recommendations to the IAFWA business meeting for approval.

e. Proposals approved by the IAFWA will be submitted to the Service Director for final approval.

f. The Service Division of Federal Aid, will award and administer grants and cooperative agreements for approved projects.

Alternative 4. Comprehensive Project Grant

a. IAFWA technical committees will identify specific national fish and wildlife conservation needs with all committee members having voting privileges.

b. National conservation needs developed by the IAFWA technical committees will be reviewed and prioritized by the GIAC and recommended to the IAFWA business meeting for approval.

c. The IAFWA will then directly solicit proposals addressing the approved list of needs.

d. Proposals received will be forwarded by the IAFWA to the appropriate IAFWA technical committees (again, all committee members having voting privileges) for review of eligibility and the selection of projects to be returned to the GIAC for ranking.

e. State members of the GIAC will rank all proposals, select those recommended for funding, and forward their recommendations to the IAFWA business meeting for approval.

f. The IAFWA will submit to the Service a single annual grant proposal that identifies the approved specific projects to be funded for both the Sport Fish Restoration and the Wildlife Restoration Programs.

g. Upon Service approval of the grant proposals, the IAFWA will administer funding for approved projects. The Service will advance funds to the GIAC to implement the grant proposal and cover costs of administration.

h. IAFWA will submit to the Service performance reports and financial status reports detailing expenditures associated with the individual projects funded by the comprehensive grants.

Alternative 5. Comprehensive Grant To Fund National Fish and Wildlife Needs

a. IAFWA technical committees will identify specific national fish and wildlife conservation needs with all committee members having voting privileges.

b. National fish and wildlife conservation needs developed by the IAFWA technical committees will be reviewed and prioritized by the GIAC and recommended to the IAFWA business meeting for approval.

c. The IAFWA will submit to the Service a single annual grant proposal that lists specific national fish and wildlife conservation needs for both the Sport Fish Restoration and Wildlife Restoration Programs.

d. Upon Service approval of the grant proposal, the IAFWA will directly solicit proposals to address the national fish and wildlife conservation needs identified in the grant.

e. Funds will be advanced to the IAFWA to implement the grant proposal and cover costs of administration.
