AGENCY: Bureau of Land Management (BLM), Interior.

ACTION: Notice of Intent for Planning Analyses.

SUMMARY: The Jackson Field Office, Eastern States, will prepare a planning analysis (PA) to consider a waiver request of a no occupancy (surface or sub-surface) stipulation attached to an oil & gas lease issued on August 1, 1998. The PA will be prepared in concert with an environmental assessment (EA).

This notice is issued pursuant to Title 40 Code of Federal Regulations (CFR) 1501.7 and Title 43 CFR 1610.2(c). The planning effort will follow the procedures set forth in 43 CFR Part 1600.

The public is invited to participate in this planning process, beginning with the identification of planning issues and criteria.

DATES: Comments relating to the identification of planning issues and criteria will be accepted through October 16, 1998.

ADDRESSES: Send comments to Bureau of Land Management, Jackson Field Office, 411 Briarwood Drive, Suite 404, Jackson, Mississippi 39206.

FOR FURTHER INFORMATION CONTACT: Quazi T. Islam, Physical Scientist, Jackson District, (601) 977-5400.

SUPPLEMENTARY INFORMATION: The BLM has responsibility to consider a waiver request for no occupancy stipulation for an already leased mineral estate for oil and gas exploration and development. An interdisciplinary team will be used in the preparation of the PA/EA. Preliminary issues, subject to change as a result of public input, are (1) potential impacts of oil and gas exploration and development on the surface resources and (2) consideration of restrictions on lease rights to protect surface resources.

Since two leased tracts are in close proximity, one PA/EA will be prepared to cover both the tracts. Tract locations, along with acreages, are listed below.

Alabama, Tuscaloosa County, Huntsville Meridian,

T 18 S, R 8 W, Section 3, 40 acres more or less;

T 18 S, R 8 W, Section 11, 40 acres more or less.

Due to the limited scope of this PA/EA process, public meetings are not scheduled.

Bruce E. Dawson,

Field Manager, Jackson.
