## FEDERAL COMMUNICATIONS COMMISSION

### 47 CFR Part 80

[PR Docket No. 90–480, FCC 98–180]

#### Global Maritime Distress and Safety System

**AGENCY:** Federal Communications Commission.

**ACTION:** Final rule.

**SUMMARY:** The Commission amended its rules to require that at-sea maintenance for GMDSS vessels be conducted by an FCC-licensed technician holding a GMDSS Maintainer's License and providing a grace period until February 1999, so that existing technicians have an opportunity to obtain the license. This action was taken in an effort to fully address the safety issues raised regarding at-sea maintenance for GMDSS vessels. Release of the *Memorandum Opinion and Order* ensures that only qualified, FCC licensed technicians would provide at-sea maintenance on board GMDSS-equipped vessels.
