**FEDERAL MARITIME COMMISSION**

[Docket No. 98-17]

**Helen Khadem d/b/a Worldwide Cargo Express/Trading; Order to Show Cause**

This proceeding is instituted pursuant to sections 8, 11 and 23 of the Shipping Act of 1984 ("1984 Act"), 46 U.S.C. app. 1707, 1710 and 1721, and the Federal Maritime Commission's ("Commission") regulations governing tariff and bonding requirements of non-vessel-operating common carriers, 46 CFR part 514.

Helen Khadem ("Khadem") is a resident of the State of California. Since approximately May 1996, Khadem has registered Worldwide Cargo Express/Trading ("Worldwide") with the California Secretary of State as a fictitious business name. Khadem maintains offices at 6279 E. Slauson Ave., Suite 101, Los Angeles, California 90040, from which premises she operates a business under the name Worldwide Cargo Express/Trading.

Based on complaints to the Commission, it appears that since at least February 1997, Khadem, doing business as Worldwide, has shipped or agreed to transport household goods, automobiles and personal effects in the foreign commerce of the United States. Evidence obtained during an investigation shows that for at least twelve (12) shipments known to the Commission, Worldwide collected goods and ocean freight from individual shippers, and then, in the capacity of a shipper, contracted with common carriers for the ocean transportation.<sup>1</sup> Worldwide was named as shipper on the ocean carrier bills of lading and export declarations and was responsible for the payment of the freight charges. The name of the actual shipper appears as a consignee or notify party on the ocean carrier bill of lading. In lieu of house bills of lading, Worldwide issues a bill of lading/pick-up order showing Worldwide as shipper, which is apparently used for pick-up and delivery of the cargo to the port.

Shipper/customer	Worldwide invoice No.	Date	Destination
Jake Wakstein .....	97206	1/5/98	London.
