The MP Criteria states that all parties (districts) that contract with Reclamation for water supplies (municipal and industrial contracts over 2,000 irrigable acre-feet and agricultural contracts over 2,000 irrigable acres) will prepare water management plans which will be evaluated by Reclamation based on the following required information detailed in the steps listed below to develop, implement, monitor, and update their water management plans. The steps are:

1. Describe the district.
2. Inventory water resources available to the district.
3. Best Management Practices (BMPs) for Agricultural Contractors.
4. BMPs for Urban Contractors.
5. Exemption Process.

The MP Contractors listed below have developed water management plans

which Reclamation has evaluated and preliminarily determined to meet the requirements of the Criteria. These MP Contractors include: Citrus Heights Water District, Fair Oaks Water District, City of Folsom, Lindmore Irrigation District, Lindsey-Strathmore Irrigation District, Orange Cove Irrigation District, and Orange Vale Water Company.

The MP Contractors listed below have developed a "cooperative" water management plan which Reclamation has evaluated and preliminarily determined meet the requirements of the Criteria.
