**Record of Decision (ROD) for the Disposal and Reuse of Chanute Air Force Base (AFB), Illinois**

On April 28, 1998, the Air Force issued the Fourth Revised Supplemental Record of Decision (FRSROD) for the Disposal and Reuse of Chanute AFB, Illinois. The decisions included in this FRSROD have been made in consideration of, but not limited to, the information contained in the Final Environmental Impact Statement (FEIS) for the Disposal and Reuse of Chanute AFB, filed with the Environmental Protection Agency and made available to the public on July 19, 1991.

Chanute AFB closed on September 30, 1993, pursuant to the Defense Base Closure and Realignment Act of 1990, Pub. Law. 100-526 (10 U.S.C. 2687 note) and the recommendations of the Defense Base Closure and Realignment Commission. The FEIS analyzed potential environmental impacts of the Air Force's disposal options by portraying a variety of potential land uses to cover a range of reasonably foreseeable future uses of the property and facilities by others.

The Air Force issued a ROD on July 21, 1992 which documented a series of decisions regarding the intended disposal of Government-owned property. Since that time the Air Force has modified the decisions in the ROD four times. This FRSROD modifies certain decisions made in the ROD and its supplements, thus completing the disposal decisions for Chanute AFB. The Air Force has decided to modify the method of disposal for Parcel O, and clarify the disposal of the phone system, roads, and rights of way.

The implementation of these conversion activities and associated mitigation measures will proceed with minimal adverse impact to the environment. This action conforms with

applicable Federal, State and local statutes and regulations, and all reasonable and practical efforts have been incorporated to minimize harm to the local public and the environment.

Any questions regarding this matter should be directed to Mr. John P. Carr, Program Manager at (703) 696-5546. Correspondence should be sent to: AFBCA/DB, 1700 North Moore Street, Suite 2300, Arlington, VA 22209-2802.

**SUPPLEMENTARY INFORMATION:** Section 3506 of the Paperwork Reduction Act of 1995 (44 U.S.C. Chapter 35) requires that the Office of Management and Budget (OMB) provide interested Federal agencies and the public an early opportunity to comment on information collection requests. OMB may amend or

waive the requirement for public consultation to the extent that public participation in the approval process would defeat the purpose of the information collection, violate State or Federal law, or substantially interfere with any agency's ability to perform its statutory obligations. The Acting Deputy Chief Information Officer, Office of the Chief Information Officer, publishes that notice containing proposed information collection requests prior to submission of these requests to OMB. Each proposed information collection, grouped by office, contains the following: (1) Type of review requested, e.g. new, revision, extension, existing or reinstatement; (2) Title; (3) Summary of the collection; (4) Description of the need for, and proposed use of, the information; (5) Respondents and frequency of collection; and (6) Reporting and/or Recordkeeping burden.
