

non-jurisdictional facilities, Line Z-67(T) along with appurtenances, all as more fully set forth in the application which is on file with the Commission and open to public inspection.

Applicant specifically proposes to abandon by sale to Wyckoff for \$1, 15,376 feet of eight-inch pipeline, designated as Line Z-67(T) and applicable rights-of-way, easements, permits, and other property interests related thereto, located in Steuben County, New York. Applicant asserts that Line Z-67(T) was refunctionalized to transmission by Commission order dated July 6, 1994, in Docket No. CP94-82-000. Applicant further asserts that Line Z-67(T) is fully depreciated. Applicant states that the line and facilities will perform a gathering function for Wyckoff and requests that the Commission determine that such facilities will not be subject to the Commission's jurisdiction after the sale.

Any person desiring to be heard or to make any protest with reference to said application should on or before October 13, 1998, file with the Federal Energy Regulatory Commission, 888 First Street, NE, Washington, DC 20426, a petition to intervene or a protest in accordance with the requirements of the Commission's Rules of Practice and Procedure (18 CFR 385.214 or 385.211) and the regulations under the Natural Gas Act (18 CFR 157.10). All protests filed with the Commission will be considered by it in determining the appropriate action to be taken but will not serve to make the protestants parties to the proceeding.

Any person wishing to become a party to the proceeding or to participate as a party in any hearing therein must file a petition to intervene in accordance with the Commission's Rules.

Take further notice that, pursuant to the authority contained in and subject to the jurisdiction conferred upon the Federal Energy Regulatory Commission by Sections 7 and 15 of the Natural Gas Act and the Commission's Rules of Practice and Procedure, a hearing will be held without further notice before the Commission on this application if no petition to intervene is filed within the time required herein, and if the Commission on its own review of the matter finds that the abandonment is required by the public convenience and necessity. If a petition for leave to intervene is timely filed, or if the Commission on its motion believes that a formal hearing is required, further notice of such hearing will be duly given.

Under the procedure herein provided for, unless otherwise advised, it will be

unnecessary for Applicant to appear or be represented at the hearing.
