Overthrust Pipeline Company; Notice of Tariff Filing

September 23, 1998.

Take notice that on September 17, 1998, pursuant to 18 CFR 154.7,

Overthrust Pipeline Company tendered for filing and acceptance to be effective October 17, 1998, the following tariff sheets to First Revised Volume No. 1-A of its FERC Gas Tariff (Overthrust's tariff).

Original Sheet No. 42A

Second Revised Sheet Nos. 38, 39, 41, 44, 45, 55 and 56

Third Revised Sheet Nos. 35A, 36, 40 and 42

Fourth Revised Sheet No. 43

Seventh Revised Sheet No. 30

Through this filing, Overthrust revised tariff language applicable to (1) the sale of firm transportation capacity to be consistent with that approved by the Commission for Questar Pipeline Company, the operating partner of Overthrust and (2) information required by a shipper when submitting a request for transportation service.

Overthrust stated that these revisions are necessary so that the electronic-gas management system used to operate Questar's pipeline may also be used to operate Overthrust's system. Overthrust believes that the consistency achieved between the two tariffs through the proposed change will also further streamline the operating services provided by Questar for Overthrust.

Overthrust stated further that a copy of this filing has been served upon its customers, the Public Service Commission of Utah and the Public Service Commission of Wyoming.

Any person desiring to be heard or to protest said filing should file a motion to intervene or a protest with the Federal Energy Regulatory Commission, 888 First Street, N.E., Washington, D.C. 20426, in accordance with Sections 385.214 or 385.211 of the Commission's Rules and Regulations. All such motions or protests must be filed in accordance with Section 154.210 or the Commission's Regulations. Protests will be considered by the Commission in determining the appropriate action to be taken, but will not serve to make protestants parties to the proceedings.

Any person wishing to become a party must file a motion to intervene. Copies of this filing are on file with the Commission and are available for public inspection in the Public Reference Room.
