Title: Food Service Highway Signs Study.

Background: The Transportation Equity Act for the 21st Century (TEA-21), Section 1213(g), directs the Secretary of the U.S. Department of Transportation to conduct a study of States' practices for specific food service signs described in sections 2G-5.7 and 2G-5.8 of the MUTCD. TEA-21 requires that the study shall examine, at a minimum: (a) the practices of all States for determining businesses eligible for inclusion on such signs; (b) whether States allow businesses to be removed from such signs and the circumstances for such removal; (c) the practices of all States for erecting and maintaining such signs, including the time required for erecting such signs; and (d) whether States contract out the erection and maintenance of such signs. A report to Congress is due not later than one year after the enactment of TEA-21 on the results of the study, including any recommendations and, if appropriate, modifications to the MUTCD.

MUTCD criteria for specific service signing is described in sections 2G-5.7 and 2G-5.8 of the Manual. TEA-21 provided modified criteria in MUTCD, Section 1217, Eligibility, paragraph (f), Information Services, as follows:

A food business that would otherwise be eligible to display a mainline business logo on a specific service food sign described in section 2G-5.7(4) of part IIG of the 1988 edition of the Manual on Uniform Traffic Control Devices for Streets and Highways under the requirements specified in that section, but for the fact that the business is open 6 days a week, cannot be prohibited from inclusion on such a food sign.
