SUPPLEMENTARY INFORMATION:

Background

A document was published in the **Federal Register** (63 FR 32697) on June 15, 1998, advising the public that Customs is proposing a new interpretation concerning the country of origin rules for certain imported textile

and textile products. Customs proposed that 19 CFR 12.130(c) should not control for purposes of country of origin marking of textile and textile products, and that Chapter 98, Subchapter II, U.S. Note 2(a), Harmonized Tariff Schedule of the United States does not apply for country of origin marking purposes. The document solicited comments, requesting that comments be received on or before August 14, 1998.

On July 24, 1998, Customs published a document in the **Federal Register** (63 FR 39931) extending the comment period until September 30, 1998.

Customs has now received a request to further extend the comment period to allow interested parties to have more time to consider the proposal and to explore how the proposed changes may impact the FTC rules on "Made in USA". Customs believes the request for more time has merit. Accordingly, the period of time for submission of comments is being extended until December 18, 1998.

All comments submitted will be available for public inspection in accordance with the Freedom of Information Act (5 U.S.C. 552), section 1.4, Treasury Department Regulations (31 CFR 1.4) and § 103.11(b), Customs Regulations (19 CFR 103.11(b)), between 9:00 a.m. and 4:30 p.m. on normal business days at the address stated above.

Dated: September 25, 1998.

Stuart P. Seidel,

Assistant Commissioner, Office of Regulations and Rulings.
