BILLING CODE 6560-50-F

EXECUTIVE OFFICE OF THE PRESIDENT

Office of National Drug Control Policy

AGENCY: Executive Office of the President, Office of National Drug Control Policy.

ACTION: Notice.

SUMMARY: This notice lists one (1) new High Intensity Drug Trafficking Area designated by the Director of National Drug Control Policy.

FOR FURTHER INFORMATION CONTACT: Comments and questions regarding this notice should be directed to Mr. Richard Y. Yamamoto, Director, HIDTA, Office of National Drug Control Policy, Executive Office of the President, Washington, D.C. 20503; 202-395-6755.

SUPPLEMENTARY INFORMATION: In 1990, the Director of ONDCP designated the first five HIDTAs. These original HIDTAs, areas through which most illegal drugs enter the United States, are the Southwest Border, Houston, Los Angeles, New York/New Jersey, and South Florida. In 1994, the Director designated the Washington/Baltimore HIDTA to address the extensive drug distribution networks serving hardcore drug users. Also in 1994, the Director designated Puerto Rico/U.S. Virgin Islands as a HIDTA based on the significant amount of drugs entering the United States through this region. In 1995, the Director designated three more HIDTAs in Atlanta, Chicago, and Philadelphia/Camden to target drug abuse and drug trafficking in those areas.

HIDTAs are domestic regions identified as having the most critical

drug trafficking problems that adversely affect the United States. These new counties are designated pursuant to 21 U.S.C. 1504(c), as amended, to promote more effective coordination of drug control efforts. This action will support local, state and federal law enforcement officers in assessing regional drug threats, designing strategies to combat the threats, developing initiatives to implement the strategies, and evaluation of the effectiveness of these coordinated efforts.

HIDTAs support over 250 co-located officer/agent task forces in twenty regions of the country, including the entire Southwest Border. The HIDTA program strengthens mutually supporting local, state, and federal drug trafficking and money laundering task forces, bolsters information analysis and sharing networks and, improves integration of law enforcement, drug treatment and drug abuse prevention programs.

Seven new HIDTAs were designated in 1997. They are: the Detroit, Michigan HIDTA, the Gulf Coast HIDTA (includes parts of Alabama, Louisiana, and Mississippi); the Lake County, Indiana HIDTA, the Midwest HIDTA (includes parts of Iowa, Kansas, Missouri, Nebraska, and South Dakota, with focus on methamphetamine); the Northwest HIDTA (includes seven counties of Washington State); the Rocky Mountain HIDTA (includes parts of Colorado, Utah, and Wyoming) and the San Francisco Bay Area HIDTA. Earlier this year, the Director designated the Milwaukee, Wisconsin HIDTA, Appalachia HIDTA (includes 26 counties in Kentucky, 11 counties in West Virginia and 28 counties in Tennessee) and Central Florida HIDTA (includes six counties in Florida) as the three latest HIDTAs.

The new North Texas HIDTA encompasses the cities of Dallas and Fort Worth, the surrounding counties of Collin, Dallas, Denton, Ellis, Henderson, Hood, Hunt, Johnson, Lubbock, Kaufman, Parker, Rockwall and Tarrant, Texas and all the municipalities therein.

Signed at Washington, DC this 31st day of August, 1998.

Barry R. McCaffrey,

Director.

BILLING CODE 3115-01-P

FEDERAL COMMUNICATIONS COMMISSION

Notice of Public Information Collection(s) Submitted to OMB for Review and Approval

September 24, 1998.

SUMMARY: The Federal Communications Commission, as part of its continuing effort to reduce paperwork burden, invites the general public and other Federal agencies to take this opportunity to comment on the following information collection(s), as required by the Paperwork Reduction Act of 1995, Public Law 104-13. An agency may not conduct or sponsor a collection of information unless it displays a currently valid control number. No person shall be subject to any penalty for failing to comply with a collection of information subject to the Paperwork Reduction Act (PRA) that does not display a valid control number. Comments are requested concerning: (a) Whether the proposed collection of information is necessary for the proper performance of the functions of the Commission, including whether the information shall have practical utility; (b) the accuracy of the Commission's burden estimate; (c) ways to enhance the quality, utility, clarity of the information collected; and (d) ways to minimize the burden of the collection of information on the respondents, including the use of automated information techniques or other forms of information technology.

DATES: Written comments should be submitted on or before November 2, 1998. If you anticipate that you will be submitting comments, but find it difficult to do so within the period of time allowed by this notice, you should advise the contact listed below as soon as possible.

ADDRESSES: Direct all comments to Les Smith, Federal Communications, Room 234, 1919 M St., NW., Washington, DC 20554 or via internet to lesmith@fcc.gov.

FOR FURTHER INFORMATION CONTACT: For additional information or copies of the information collections contact Les Smith at 202-418-0217 or via internet at lesmith@fcc.gov.

SUPPLEMENTARY INFORMATION:

OMB Approval Number: 3060-0760.

Title: Access Charge Reform, CC Docket No. 96-262, First Report and Order; Second Order on Reconsideration and Memorandum Opinion and Order.

Form Number: N/A.

Type of Review: Revision of a currently approved collection.

Respondents: Business and other for-profit entities.
