Submission for OMB Review; Comment Request

ACTION: Notice.

The Department of Defense has submitted to OMB for clearance, the following proposal for collection of information under the provisions of the Paperwork Reduction Act (44 U.S.C. Chapter 35).

Title and OMB Number: Tender of Service—Mobile Homes/Boats; OMB Number 0704-0056.

Type of Request: Reinstatement.
Number of Respondents: 23.
Responses per Respondent: 5.4 (average).

Annual Responses: 125.

Annual Burden Hours: 444.
Needs and Uses: The Carrier Qualification Program (CQP) is designed to protect the interest of the Government and to ensure that the Department of Defense deals with responsible carriers having the capability to provide quality and dependable service. This program became necessary because deregulation of the motor carrier industry brought an influx of new carriers into DoD's transportation market, many of which are unreliable or do not have the capability to provide consistent dependable transportation service. Since mobile homes/boats move at

Government expense, data is needed to choose the best service at least cost. The information provided serves as a bid for contract to transport mobile homes/boats. The carrier must provide the information in order to become a DoD-approved carrier.

Affected Public: Business or Other For-Profit.

Frequency: On Occasion.

Respondent's Obligation: Required to Obtain or Retain Benefits.

OMB Desk Officer: Mr. Peter N. Weiss.

Written comments and recommendations on the proposed information collection should be sent to Mr. Weiss at the Office of Management and Budget, Desk Officer for DoD, Room 10236, New Executive Office Building, Washington, DC 20503.
