SUPPLEMENTARY INFORMATION: Chapter 19 of the United States-Canada Free-Trade Agreement ("Agreement") establishes a mechanism to replace domestic judicial review of final determination in antidumping and countervailing duty cases involving imports from the other country with review by independent binational panels. These Rules were published in the **Federal Register** on December 30, 1988 (53 FR 53212). The final amendments to the Rules were published in the **Federal Register** on February 8, 1994 (59 FR 5892). The panel reviews in these matters were conducted in accordance with these Rules.
