

No. 587-H issued July 15, 1998, at Docket No. RM96-1-008.

TransColorado states that the tariff sheets are being filed to implement the intra-day nominations regulations adopted by the Commission in Order No. 587-H. The tendered tariff sheets are proposed to become effective November 1, 1998.

Any person desiring to be heard or to protest said filing should file a motion to intervene or a protest with the Federal Energy Regulatory Commission, 888 First Street, N.E., Washington, D.C. 20426, in accordance with Sections 385.214 or 385.211 of the Commission's Rules and Regulations. All such motions or protests must be filed in accordance with Section 154.210 of the Commission's Regulations. Protests will be considered by the Commission in determining the appropriate action to be taken, but will not serve to make protestants parties to the proceedings. Any person wishing to become a party must file a motion to intervene. Copies of this filing are on file with the Commission and are available for public inspection in the Public Reference Room.

Transcontinental Gas Pipe Line Corporation; Notice of Proposed Changes in FERC Gas Tariff

October 5, 1998.

Take notice that on September 30, 1998, Transcontinental Gas Pipe Line Corporation (Transco) tendered for filing to become part of its FERC Gas Tariff, Third Revised Volume No. 1, certain new and revised tariff sheets. Appendix A attached to the filing contains the enumeration of the proposed tariff sheets. The proposed effective date of such tariff sheets is November 1, 1998.

Transco states that the purpose of the instant filing is to submit tariff sheets setting forth Transco's interconnect policy, and, as an integral part of its interconnect policy, to submit tariff sheets establishing a new delivery lateral service (DLS) Rate Schedule.

Transco states that it is serving copies of the instant filing to its affected customers and interested State Commissions.

Any person desiring to be heard or to protest said filing should file a motion to intervene or a protest with the Federal Energy Regulatory Commission, 888 First Street, N.E., Washington, D.C. 20426, in accordance with Sections 385.214 or 385.211 of the Commission's Rules and Regulations. All such motions or protests must be filed in accordance with Section 154.210 of the Commission's Regulations. Protests will be considered by the Commission in determining the appropriate action to be taken, but will not serve to make protestants parties to the proceedings. Any person wishing to become a party must file a motion to intervene. Copies of this filing are on file with the Commission and are available for public inspection in the Public Reference Room.

Transcontinental Gas Pipe Line Corporation; Notice of Proposed Changes in FERC Gas Tariff

October 5, 1998.

Take notice that on October 1, 1998, Transcontinental Gas Pipe Line Corporation (Transco) tendered for filing to become part of its FERC Gas Tariff, Third Revised Volume No. 1, certain revised tariff sheets which tariff sheets are enumerated in Appendix A attached to the filing. The tariff sheets are proposed to be effective November 1, 1998.

Transco states that the instant filing is submitted pursuant to Section 44 of the General Terms and Conditions of Transco's Volume No. 1 Tariff which provides that Transco will reflect in its rates the costs incurred for the transportation and compression of gas by others (hereinafter TBO). Section 44 provides that Transco will file to reflect net changes in its TBO rates at least 30 days prior to the November 1 effective date of each annual TBO filing.

On August 21, 1998 Transco's last remaining TBO contract expired. Thus, the only TBO amount remaining to be recovered is the current deferral balance as of July 31, 1998 plus the TBO expense for August, 1998 associated with the expired contract. As set forth in Appendix B, TBO projects that the unrecovered balance in the deferred

account as of October 31, 1998 will approximate \$20,000. Based on the foregoing, Transco proposed to eliminate the TBO surcharge from its rates effective November 1, 1998. Further, Transco will not seek to include in rates any remaining balance in its TBO deferred account as of October 31, 1998.

Transco states that copies of the filing are being mailed to affected customers and interested State Commissions.

Any person desiring to be heard or to protest said filing should file a motion to intervene or a protest with the Federal Energy Regulatory Commission, 888 First Street, N.E., Washington, D.C. 20426, in accordance with Sections 385.214 or 385.211 of the Commission's Rules and Regulations. All such motions or protests must be filed in accordance with section 154.210 of the Commission's Regulations. Protests will be considered by the Commission in determining the appropriate action to be taken, but will not serve to make protestants parties to the proceedings. Any person wishing to become a party must file a motion to intervene. Copies of this filing are on file with the Commission and are available for public inspection in the Public Reference Room.

Transwestern Pipeline Company; Notice of Proposed Changes to FERC Gas Tariff

October 5, 1998.

Take notice that on October 1, 1998, Transwestern Pipeline Company (Transwestern), tendered for filing to become part of Transwestern's FERC Gas Tariff, Second Revised Volume No. 1, Fourth Revised Sheet No. 58.03, to be effective November 1, 1998.

Transwestern states that its FERC Gas Tariff allows Transwestern to recover eligible transition costs under Order Nos. 528 *et al.*, (TCR II Costs). Such cost recovery was established by the Stipulation and Agreement (Stipulation) Transwestern filed on May 2, 1995, in Docket Nos. RP95-271, *et al.* TCR II Costs are recoverable from Current Firm Shippers through a reservation surcharger (TCR II Reservation Surcharge), which is allocated annually
