Boise Cascade Corporation Timber Division—Elgin Stud Mill Elgin, Oregon; Timberland Department La Grande, Oregon; Amended Certification Regarding Eligibility To Apply for Worker Adjustment Assistance

In accordance with Section 223 of the Trade Act of 1974 (19 U.S.C. 2273) the Department of Labor issued a Certification of Eligibility to Apply for Worker Adjustment Assistance on March 24, 1998, applicable to all workers of Boise Cascade Corporation, Timber Division—Elgin Stud Mill, Elgin, Oregon. The notice will be published soon in the **Federal Register**.

At the request of the petitioners, the Department reviewed the certification for workers of the subject firm. New findings show that worker separations will occur at the subject firm's Timberland Department, La Grande, Oregon facility. The workers provide forestry services to support the production of lumber at Boise Cascade Corporation, including the Elgin Stud Mill.

Accordingly, the Department is amending the certification to cover workers at Boise Cascade Corporation, Timberland Department, La Grande, Oregon. The intent of the Department's certification is to include all workers of

Boise Cascade adversely affected by increased imports.

The amended notice applicable to TA-W-34,357 is hereby issued as follows:

"All workers of Boise Cascade Corporation, Timber Division—Elgin Stud Mill, Elgin, Oregon (TA-W-24,357) and the Timberland Department, La Grande, Oregon (TA-W-34,357A) who became totally or partially separated from employment on or after March 9, 1997 through March 24, 2000 are eligible to apply for adjustment assistance under Section 223 of the Trade Act of 1974."

Signed at Washington DC this 28th day of September, 1998.

Grant D. Beale,*Acting Director, Office of Trade Adjustment Assistance.*

Energizer Power Systems, Eveready Battery Company, Gainesville, FL; Amended Certification Regarding Eligibility To Apply For Worker Adjustment Assistance

In accordance with Section 223 of the Trade Act of 1974 (19 U.S.C. 2273) the U.S. Department of Labor issued a Certification of Eligibility to Apply for Worker Adjustment Assistance on August 28, 1998 applicable to all workers of Energizer Power Systems located in Gainesville, Florida. The notice was published in the **Federal**

Register on September 28, 1998 (63 FR 51605).

At the request of the State agency, the Department reviewed the certification for workers of the subject firm. The workers are engaged in the production of rechargeable batteries. Company information shows that Eveready Battery Company is the parent firm of Energizer Power Systems located in Gainesville, Florida. New information provided by the State shows that some workers separated from employment at Energizer Power Systems had their wages reported under a separate unemployment insurance (UI) tax account at Eveready Battery Company, also located in Gainesville, Florida. Based on these findings, the Department is amending the certification to include workers from Eveready Battery Company.

The intent of the Department's certification is to include all workers of Energizer Power Systems who were adversely affected by increased imports of rechargeable batteries.

The amended notice applicable to TA-W-34,695 is hereby issued as follows:

"All workers of Energizer Power Systems and Eveready Battery Company, Gainesville, Florida who became totally or partially separated from employment on or after June 12, 1997 through August 28, 2000 are eligible to apply for adjustment assistance under Section 223 of the Trade Act of 1974."

Signed at Washington D.C. this 29th day of September, 1998.
