SUPPLEMENTARY INFORMATION:

Background

The Treasury Department issued antidumping findings on large power transformers from Italy (37 FR 11772, June 14, 1972), large power transformers from France (37 FR 11772, June 14, 1972), large power transformers from Japan (37 FR 11773, June 14, 1972), steel jacks from Canada (31 FR 11974, September 13, 1966), bicycle speedometers from Japan (37 FR 24826, November 22, 1972), fish netting of manmade fiber from Japan, (37 FR 11560, June 9, 1972, and canned Bartlett pears from Australia (38 FR 7566, March 23, 1973). Pursuant to section 751 (c) of the Tariff Act of 1930, as amended ("the Act"), the Department initiated sunset reviews of these findings by publishing notice of the initiation in the **Federal Register** (63 FR 36389, July 6, 1998). In addition, as a courtesy to interested parties, the Department sent letters, via first class mail, to each party listed on the Department's most current service list for these proceedings to inform them of the automatic initiation of a sunset review on these findings.

No domestic interested parties in any of these sunset reviews of these findings responded to the notice of initiation by the July 21, 1998, deadline (see § 351.218 (d)(1)(i) of *Procedures for Conducting Five-year ("Sunset") Reviews of Antidumping and Countervailing Duty Orders*, 63 FR 13520 (March 20, 1998) ("Sunset Regulations"). In the sunset review on canned Bartlett pears from Australia, the Department determined that the response filed by the California Pear Advisory Board was inadequate (see Memorandum for Joseph A. Spetrini, Acting Assistant Secretary for Import Administration, August 17, 1998) and, therefore, consistent with § 351.218 (e)(1)(i)(C)(1) of the *Sunset Regulations* concluded that no domestic interested party responded to the notice of initiation.

Determination To Revoke

Pursuant to section 751 (c)(3)(A) of the Act and § 351.218 (d)(1)(iii)(B)(3) of the *Sunset Regulations*, if no interested party responds to the notice of initiation, the Department of Commerce shall issue a final determination, within 90 days after the initiation of the review, revoking the finding or terminating the suspended investigation. Because no domestic interested party responded to the notice of initiation by the applicable deadline July 21, 1998 (see §§ 351.218 (d)(1)(i) and 351.218 (e)(1)(i)(C)(1) of the *Sunset Regulations*), we are revoking these antidumping findings.

Effective Date of Revocation

Pursuant to section 751 (c)(6)(A)(iv) of the Act, the Department will instruct the United States Customs Service to terminate the suspension of liquidation of the merchandise subject to these findings entered, or withdrawn from warehouse, on or after January 1, 2000. Entries of subject merchandise prior to the effective date of revocation will continue to be subject to suspension of liquidation and duty deposit requirements. The Department will complete any pending administrative reviews on these findings and will conduct administrative reviews on all entries prior to the effective date of revocation in response to appropriately filed requests for review.

Dated: October 5, 1998.

Robert S. LaRussa,

Assistant Secretary for Import Administration.
