Midcoast Interstate Transmission, Inc.; Notice of Tariff Filing

October 7, 1998.

Take notice that on October 2, 1998, Midcoast Interstate Transmission, Inc. (Midcoast) tendered for filing as part of its FERC Gas Tariff, Second Revised Volume No. 1, the following tariff sheets, to become effective November 2, 1998:

Fourth Revised Sheet No. 79
Second Revised Sheet No. 79A
Second Revised Sheet No. 79B
Fourth Revised Sheet No. 80

Midcoast asserts that the purpose of this filing is to comply with the Commission's Order No. 587-H, Standards for Business Practices of Interstate Natural Gas Pipelines issued on July 15, 1998 in Docket No. RM96-1-008. Midcoast states that because its current tariff allows for intra-day nominations to be effective on any hour of the day, except for 9 a.m., it is already providing more intra-day nomination opportunities than those required by Order 587-H. Therefore, Midcoast states that its tariff filing does not restrict shippers to the three intra-day nominations as stated in Order 587-H, but does specify that a 10 a.m. nomination to be effective at 5 p.m. and a 6 p.m. nomination to be effective at 9 a.m. the next day will be allowed to bump interruptible shippers.

Midcoast requested that the Commission grant such waivers as it deems necessary to accept this filing and to make it effective on November 2, 1998.

Midcoast states that copies of the filing were served on each of its firm customers, interruptible customers and all affected state commissions.

Any person desiring to be heard or to protest said filing should file a motion to intervene or a protest with the Federal Energy Regulatory Commission, 888 First Street, N.E., Washington, DC 20426, in accordance with sections 385.214 or 385.211 of the Commission's Rules and Regulations. All such motions or protests must be filed in accordance with section 154.210 of the Commission's Regulations. Protests will be considered by the Commission in determining the appropriate action to be taken, but will not serve to make protestants parties to the proceedings. Any person wishing to become a party must file a motion to intervene. Copies

of this filing are on file with the Commission and are available for public inspection in the Public Reference Room.
