Caprock Pipeline Company; Notice of Tariff Filing

October 8, 1998.

Take notice that on October 5, 1998, Caprock Pipeline Company (Caprock) tendered for filing as part of its FERC Gas Tariff, First Revised Volume No. 1, the following tariff sheets to be effective November 2, 1998:

Second Revised Sheet No. 6
 Fifth Revised Sheet No. 29A
 Third Revised Sheet No. 37
 First Revised Sheet No. 37A
 Second Revised Sheet No. 38
 First Revised Sheet No. 38A
 First Revised Sheet No. 39

Caprock states that these tariff sheets are being filed in compliance with the Commission's Order No. 587-H, Final Rule, issued July 15, 1998, in Docket No. RM96-1-008.

Caprock respectfully requests waiver of the 30 day notice requirement and acceptance of the tariff sheet(s) to be effective November 2, 1998. The reason for the waiver request is due to problems encountered with the delivery service hired to deliver the filing documents to our Washington, DC offices. The packages were lost and not delivered to our offices until October 5, 1998. Caprock requests that the Commission grant any other waivers of its regulations that the Commission may deem necessary to accept Caprock's tariff sheet(s) to be effective November 2, 1998, without hearing.

Caprock states that copies of the filing were served upon Caprock's jurisdictional customers, interested public bodies and all parties to the proceeding.

Any person desiring to be heard or to protest said filing should file a motion to intervene or a protest with the Federal Energy Regulatory Commission, 888 First Street, N.E., Washington, DC 20426, in accordance with Sections 385.214 or 385.211 of the Commission's Rules and Regulations. All such motions

or protests must be filed in accordance with Section 154.210 of the Commission's Regulations. Protests will be considered by the Commission in determining the appropriate action to be taken, but will not serve to make protestants parties to the proceedings. Any person wishing to become a party must file a motion to intervene. Copies of this filing are on file with the Commission and are available for public inspection in the Public Reference Room.

Linwood A. Watson, Jr.,

Acting Secretary.
