Committee for the Implementation of Textile Agreements

October 8, 1998.

Commissioner of Customs,
Department of the Treasury, Washington, DC 20229.

Dear Commissioner: This directive amends, but does not cancel, the directive issued to you on March 27, 1997, by the Chairman, Committee for the Implementation of Textile Agreements. That directive establishes an export visa arrangement for certain cotton, wool, man-made fiber, silk blend, and other vegetable fiber textiles and textile products, produced or manufactured in the People's Republic of China.

Effective on January 1, 1999, for products exported from China on or after January 1, 1999, you are directed to amend the March 27, 1997 directive to provide for the use of export licenses/commercial invoices issued by the Government of the People's Republic of China which are printed on jade green guilloche patterned background paper with a map of the People's Republic of China in the middle. The jade green form will replace the light purple form currently being used.

To facilitate implementation of this amendment to the export licensing system, you are directed to permit entry of textile products, produced or manufactured in China and exported from China during the period January 1, 1999 through January 31, 1999, for which the Government of the People's Republic of China has issued an export license/commercial invoice printed on either the light purple background paper or the jade green background paper as described above. Both the light purple and the jade

green forms have a map of the People's Republic of China in the middle.

Products exported on and after February 1, 1999 must be accompanied by an export visa issued by the Government of the People's Republic of China only on the jade green license/invoice form.

The requirements for ELVIS (Electronic Visa Information System) remain unchanged.

Shipments entered or withdrawn from warehouse according to this directive which are not accompanied by an appropriate export visa shall be denied entry and a new visa must be obtained.

The Committee for the Implementation of Textile Agreements has determined that this action falls within the foreign affairs exception to the rulemaking provisions of 5 U.S.C. 553(a)(1).

Sincerely,

D. Michael Hutchinson,

Acting Chairman, Committee for the Implementation of Textile Agreements.
