

alternatives formulated and discussed in the statement. Reviewers may wish to refer to the Council on Environmental Quality Regulations for implementing the procedural provisions of the National Environmental Policy Act at 40 CFR 1503.3 in addressing these points. Comments received in response to this solicitation, including names and addresses of those who comment, will be considered part of the public record on this proposed action and will be available for public inspection. Comments submitted anonymously will be accepted and considered; however, those who submit anonymous comments will not have standing to appeal the subsequent decision under 36 CFR Parts 215 or 217. Additionally, pursuant to 7 CFR 1.27(d), any person may request the agency to withhold a submission from the public record by showing how the Freedom of Information Act (FOIA) permits such confidentiality. Requesters should be aware that, under FOIA, confidentiality may be granted in only very limited circumstances, such as to protect trade secrets. The Forest Service will inform the requester of the agency's decision regarding the request for confidentiality, and where the request is denied, the agency will return the submission and notify the requester that the comments may be resubmitted with or without name and address within 7 days.

DEPARTMENT OF COMMERCE

International Trade Administration

September 1998 Sunset Reviews: Final Results and Revocations

AGENCY: Import Administration, International Trade Administration, Department of Commerce.

ACTION: Notice of Final Results of Sunset Reviews and Revocation of Antidumping Findings and Countervailing Duty Orders:

Cotton Yarn from Brazil (C-351-037)

Animal Glue from Germany (A-428-062)
Railway Track Equipment from Austria (A-433-064)

Impression Fabric from Japan (A-588-066)
Rayon Staple Fiber from Finland (A-405-071)

Rayon Staple Fiber from Sweden (C-401-056)

SUMMARY: On September 1, 1998, the Department of Commerce ("the Department") initiated sunset reviews of the antidumping findings of animal glue from Germany, railway track equipment from Austria, impression fabric from Japan, and rayon staple fiber from Finland. On this date, the Department also initiated sunset reviews of the countervailing duty orders on cotton yarn from Brazil and rayon staple fiber from Sweden. Because no domestic interested party responded to the sunset review notice of initiation by the applicable deadline, the Department is revoking these findings and orders.

EFFECTIVE DATE: January 1, 2000.

SUPPLEMENTARY INFORMATION:

Background

The Treasury Department issued antidumping findings on animal glue from Germany (42 FR 64116, December 22, 1977), railway track equipment from Austria (43 FR 6937, February 17, 1978), impression fabric from Japan (43 FR 22344, May 25, 1978), and rayon staple fiber from Finland (44 FR 17156, March 21, 1979). In addition, the Treasury Department issued countervailing duty orders on cotton yarn from Brazil (42 FR 14089, March 15, 1977) and rayon staple fiber from Sweden (44 FR 28319, May 15, 1979). Pursuant to section 751(c) of the Tariff Act of 1930, as amended ("the Act"), the Department initiated sunset reviews of these findings and orders by publishing notice of the initiation in the **Federal Register** (63 FR 46410, September 1, 1998). In addition, as a courtesy to interested parties, the Department sent letters, via certified and registered mail, to each party listed on the Department's most current service list for these proceedings to inform them of the automatic initiation of a sunset review on these findings and orders.

No domestic interested parties in any of the sunset reviews of these findings
