This notice serves as a final reminder to importers of their responsibility under 19 CFR 353.26(b) to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during this review period. Failure to comply with this requirement could result in the Secretary's presumption that reimbursement of antidumping duties occurred and the subsequent assessment of doubled antidumping duties.

This notice also serves as the only reminder to parties subject to APO of their responsibility concerning the disposition of proprietary information disclosed under APO in accordance with section 353.34(d) of the Department's regulations. Timely notification of return/destruction of APO materials or conversion to judicial protective order is hereby requested. Failure to comply with the regulations and the terms of an APO is a sanctionable violation.

We are issuing and publishing this notice in accordance with section 751(i) of the Act.

Dated: October 16, 1998.

**SUMMARY:** The Department of Commerce ("the Department") is postponing the preliminary determinations of the antidumping duty investigations of stainless steel sheet and strip from Italy, France, Germany, Mexico, Japan, the Republic of Korea, the United Kingdom and Taiwan. These investigations cover manufacturers and exporters of the subject merchandise during the period April 1, 1997 through March 31, 1998.

#### **Postponement of Preliminary Determinations**

On June 30, 1998, the Department initiated antidumping duty investigations of imports of stainless steel sheet and strip from Italy, France, Germany, Mexico, Japan, the Republic of Korea, the United Kingdom and Taiwan. The notice of initiation stated that we would issue our preliminary

determinations by November 17, 1998 (63 FR 37521; July 13, 1998).

On October 6, 1998, petitioners made a timely request pursuant to 19 CFR 351.205(e) of the Department's regulations for a 30 day postponement, pursuant to section 733(c)(1)(A) of the Tariff Act of 1930 (the Act), as amended by the Uruguay Round Agreements Act. Petitioners stated that a postponement of the preliminary determinations is necessary in order to give the Department time to address the many issues raised by these investigations. For example, petitioners noted that seven of the eight investigations involve below-cost allegations. In addition to the cost allegations cited by petitioners, these cases involve complex issues, including those related to downstream sales, affiliation, limited reporting and country of origin.

Therefore, the Department is postponing the preliminary determinations of the aforementioned investigations 30 days, to December 17, 1998. See Memorandum from Joseph A. Spetrini to Robert S. LaRussa, which is on file in Room B-099 at the Main Commerce Building.

This notice is published pursuant to section 733(c)(2) of the Act and 19 CFR 351.205(f).

Dated: October 16, 1998.
