

manuals and occasional updates are subject to the uniform format and standard procedures specified in RAO letter 19. The Commission proposes to, among other things, eliminate or modify some of the information required in the CAMs for mid-sized incumbent LECs. (*No. of respondents*: 18; *estimated time per response*: 300 hours (about two filings per respondent); *total annual burden*: 10,800 hours).

c. *Annual Auditor's Certification—Section 64.904*—Independent auditors must evaluate the results of the carrier's cost allocation manuals in light of the requirements of the manuals as well as the Commission's joint cost rules and rules and regulations including 47 CFR 32.23, 32.27, 64.901 and 64.903 in force as of the date of the auditor's report. Independent auditors must follow all of the ten standards of generally accepted auditing standards (GAAS) in preparing the required reports. The Commission proposes to, among other things, to relax the audit requirement for mid-sized incumbent LECs. (*No. of respondents*: 19; *estimated time per response*: 500; *total annual burden*: 6500 hours). The proposed information collection requirements will provide the necessary information to enable this Commission to fulfill its regulatory responsibilities. These proposed accounts and recordkeeping requirements are intended to achieve the following goals: (1) to facilitate uniform reporting among ILECs; and (2) to ensure that regulated ratepayers do not bear the costs of ILECs' competitive activities. If the proposals are adopted, the Commission will realize a burden reduction of 633,500 hours. Obligation to comply: Mandatory.

Public reporting burden for the collections of information is as noted above. Send comments regarding the burden estimate or any other aspect of the collections of information, including suggestions for reducing the burden to Performance Evaluation and Records Management, Washington, D.C. 20554.

Federal Communications Commission.
